Financial Freedom Grant Sabatier,2020-04-07 The International Bestseller New York Public Library s Top 10 Think Thrifty Reads of 2023 This book blew my mind More importantly it made financial independence seem achievable I read Financial Freedom three times cover to cover Lifesthacker Money is unlimited Time is not Become financially independent as fast as possible In 2010 24 year old Grant Sabatier woke up to find he had 2 26 in his bank account Five years later he had a net worth of over 1 25 million and CNBC began calling him the Millennial Millionaire By age 30 he had reached financial independence Along the way he uncovered that most of the accepted wisdom about money work and retirement is either incorrect incomplete or so old school it s obsolete Financial Freedom is a step by step path to make more money in less time so you have more time for the things you love It challenges the accepted narrative of spending decades working a traditional

9 to 5 job pinching pennies and finally earning the right to retirement at age 65 and instead offers readers an alternative forget everything you've ever learned about money so that you can actually live the life you want Sabatier offers surprising counter intuitive advice on topics such as how to Create profitable side hustles that you can turn into passive income streams or full time businesses Save money without giving up what makes you happy Negotiate more out of your employer than you thought possible Travel the world for less Live for free or better yet make money on your living situation Create a simple money making portfolio that only needs minor adjustments Think creatively there are so many ways to make money but we don't see them But most importantly Sabatier highlights that while one's ability to make money is limitless one's time is not There's also a limit to how much you can save but not to how much money you can make No one should spend precious years working at a job they dislike or worrying about how to make ends meet Perhaps the biggest surprise You need less money to retire at age 30 than you do at age 65 Financial Freedom is not merely a laundry list of advice to follow to get rich quick it's a practical roadmap to living life on one's own terms as soon as possible
