Text A, a compilation of extracts from a blog entry by blogger and mens fashion writer, Robert van Tongeren was written in 2019, which makes it the focus of Present Day English period. **1**

Over time, our language has undergone a substantial amount of change that has led up to the way we use it today. One major **2**

According to linguist David Crystal, the largest driving force for change is technology. With technology, new inventions and discoveries have prompted changes in our language that would make it unacceptable in an earlier time period. For example, the ~~or~~ genre of the ~~extract~~ **3**

illustrates how our language has changed. With the development of computers and the internet, we are able to perform our work in an online format. During earlier time periods, such genres simply did not exist ~~perhaps~~. It was the development **4**

There are several semantic changes present in Text A. For instance, Tongeren utilizes the word "PERIOD" to make a declarative statement. A theory which demonstrates how the semantics of this word has changed is the Semiotic System Theory by Ferdinand de Saussure. **5** Saussure states that words are symbols which consist of two parts – the signifier, which are in this case is the word "PERIOD" and a signified, which is the mental, or culturally defined concept. In this text, period was used to categorize a point, meaning that we associate it with that concept. Although we also see however, in earlier periods of Dugue's the word "period" was only seen as a grammatical term. Since both meanings still be this means also

**1** The candidate begins their response with a succinct introduction which identifies the context of Text A.

**2** The candidate gives an immediate reference to a relevant, if rather well-known, linguistic approach.

**3** The candidate provides a developed commentary on how Text A demonstrates language change over time, given its blog form and its place in 21<sup>st</sup> century written language.

**4** The candidate uses accurate linguistic terminology to analyse and demonstrate semantic change over time.

**5** The candidate shows their conceptual understanding with their detailed discussion of de Saussure's semiotic system. This developed paragraph contains insightful ideas which are described using an effective level of expression.
