**The Alchemist** Paulo Coelho, 2006-04-25 My heart is afraid that it will have to suffer the boy told the alchemist one night as they looked up at the moonless sky Tell your heart that the fear of suffering is worse than the suffering itself And that no heart has ever suffered when it goes in search of its dreams Every few decades a book is published that changes the lives of its readers forever The Alchemist is such a book With over a million and a half copies sold around the world The Alchemist has already established itself as a modern classic universally admired Paulo Coelho s charming fable now available in English for the first time will enchant and inspire an even wider audience of readers for generations to come The Alchemist is the magical story of Santiago an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with the alchemist The story of the treasures Santiago finds along the way teaches us as only a few stories have done about the essential wisdom of listening to our hearts learning to read the omens strewn along life s path and above all following our dreams

Son of Classics and Comics George Kovacs, C. W. Marshall, 2016 Son of Classics and Comics presents thirteen original studies of representations of the ancient world in the medium of comics Building on the foundation established by their groundbreaking Classics and Comics Kovacs and Marshall have gathered a wide range of studies with a new global perspective

*The Alchemist* Mystical Editions, 2015-06-04 While sleeping near a sycamore tree in the sacristy of an abandoned church Santiago a shepherd boy has a recurring dream about a child who tells him that he will find a hidden treasure if he travels to the Egyptian pyramids An old woman tells Santiago that this dream is prophetic and that he must follow its instructions Santiago is uncertain however since he enjoys the life of a shepherd Next Santiago meets a mysterious old man who seems able to read his mind This man introduces himself as Melchizedek or the King of Salem He tells Santiago about good and bad omens and says that it is the shepherd boy s duty to pursue his Personal Legend Melchizedek then gives Santiago two stones Urim and Thummim with which to interpret omens Santiago wavers briefly before selling his flock and purchasing a ticket to Tangier in northern Africa to which he travels by boat Shortly after he arrives there a thief steals all of Santiago s money so the shepherd boy decides to look for a way to make enough money to return home He finds work in the shop of a crystal merchant where Santiago makes improvements that reap considerable financial rewards After eleven months of working in the shop Santiago is unsure of how to proceed Should he return to Andalusia a rich man and buy more sheep Or should he cross the vast Sahara in pursuit of the hidden treasure of his dreams He joins a caravan traveling to Egypt Santiago meets an Englishman who wants to learn the secret of alchemy or turning any metal into gold from a famous alchemist who lives at an oasis on the way to the pyramids While traveling Santiago begins listening to the desert and discovering the Soul of the World The caravan eventually reaches the oasis and there Santiago meets an Arab girl named Fatima and falls in love with her instantly The caravan leader gathers the travelers together and tells them that tribal

warfare prevents them from continuing their journey Santiago wanders from the oasis into the desert and seeing two hawks fighting in the sky has a vision of an army entering the oasis Because attacking an oasis is a violation of the rules of the desert Santiago shares his vision with the oasis s tribal chieftain Soon afterward Santiago is confronted by a black garbed veiled stranger with a sword who sits atop a white horse It is the alchemist The tribal chieftain arms his men and they are well prepared when the oasis is indeed invaded The alchemist offers to cross the desert with Santiago Soon the two men enter into an area of intense tribal warfare Warriors hold the two men captive but eventually allow them to continue their journey The alchemist tells Santiago that he needs to return to the oasis and that the rest of the trip is Santiago s to make alone so that he can claim his Personal Legend Santiago arrives at the Egyptian pyramids and begins to dig He finds nothing buried in the ground Thieves beat Santiago and rob him of his money After he tells them of his dream though one of the thieves recounts his own dream about a buried treasure in the sacristy of an abandoned church Returning to Andalusia Santiago goes back to the church where he dreamed of the treasure near the pyramids He digs where he slept beneath a sycamore tree and there it is Santiago s treasure
