## **Alex Jones Field Manual:**

**Journey to a Brave New World** David Watts,2013-02 Our Way of life and our very existence are under threat Get educated and resist In Aldous Huxley s Brave New World published in 1932 we are provided with a view into a possible future that shows humanity under total control It s a world in which babies are created in the laboratory to fit specific job functions and a small number of savages live in the restricted wild lands Journey to a Brave New World uses examples of news reports and the real history not always the version taught in the classroom to show how we are being managed and manipulated to allow for a total tyrannical takeover and massive depopulation that could lead us to Huxley s vision For over six years author David Watts has undertaken deep research into the real history of the world and the ways in which it is being manipulated toward a future that only benefits an elite few He provides many news reports official documents and quotes from the so called elites to piece the puzzle together He presents a cohesive exploration of what to expect in the future if we don t become involved in determining our own fate Journey to a Brave New World seeks to help everyone to put the pieces together deprogram and understand both how we are being manipulated and how we can change direction now

The ^AWrong Hands Ann Larabee,2015-06-15 The state s right to police such information has always hinged on whether the disseminators have legitimate First Amendment rights Larabee ends with an analysis of the 1979 publication of instructions for making a nuclear weapon which raises the ultimate question should a society committed to free speech allow a manual for constructing such a weapon to disseminate freely Both authoritative and eye opening The Wrong Hands will reshape our understanding of the history of radical violence and state repression in America
