triggers Sort through the various medications Evaluate alternative remedies Make simple migraine busting lifestyle changes  
Stop migraines from disrupting your family and work lives Find a good doctor to help you manage the beast The authors look  
at the whole spectrum of the problem from dealing with the number one issue of pain relief to handling the peripheral  
problems like absences from work skepticism from friends and impact on family They also explore a range of critical related  
issues including Different types of migraines including abdominal ocular hemiplegic ophthalmoplegic and women s hormonal  
migraines Triggers such as environmental allergens stress dietary triggers and even exercises that can cause migraines Over  
the counter medications vitamins and herbal supplements Biofeedback meditation massage acupuncture and other  
alternative remedies The pros and cons of prescription remedies including ergotamine derivatives antidepressants  
nonsteroidal anti inflammatory drugs botox and more You ve tried Aunt Edna s camphor soaked head cloths Now explore a  
sensible medically sound approach and get on the road to full fledged pain relief with Migraines For Dummies **The  
Sermons of Henry Ward Beecher** Henry Ward Beecher,1871 **Menopause For Dummies** Marcia L. Jones,Theresa  
Eichenwald,2002-11-15 As baby boomers hit their late forties and fifties women are entering menopause in record numbers  
Soon for the first time in history there will be more women beyond menopause than have yet to go through it Yet amazingly  
getting reliable practical information about menopause isn t easy Usually the only information you re likely to find is in the  
glossy brochures from pharmaceutical companies scattered around your gynecologist s waiting room If you re really

persistent you can hunt down an article or two in medical journals but it's a safe bet that you'll be sound asleep long before you find straightforward answers even to one of your practical questions Whether you're going through the change have already been there or are about to start off down that road you'll find the information you need in *Menopause For Dummies* In plain English it covers all the health issues and therapy choices that confront women during the menopausal years It helps you Put menopause in perspective Understand how it can affect your body emotions and libido Evaluate your risk of disease Know all your therapy options Make sense of the hormone therapy debate Ask intelligent questions and discuss your alternatives with your doctor Make smarter life style choices Live a long healthy life *Menopause For Dummies* gives you accurate up to date information from the most credible sources including the latest medical studies without a lot of technical jargon You get straightforward advice and guidance on Recognizing the signs of menopause Preventing and treating osteoporosis Cardiovascular disease and menopause Vaginal and urinary changes during menopause The effects of menopause on your skin hair and nasal cavities Menopause and your sex life Hormone therapy and heart disease breast cancer and other cancers Alternative therapies Menopause and good nutrition The benefits of exercise during menopause Menopause is not a disease and it doesn't have to be a harbinger of accelerated aging and declining health *Menopause For Dummies* gives you the information you need to take charge of your menopause and make this transition as comfortable and healthy as possible
