Now a six figure business coach, Kelly poses the same question to you: What if you just did what you're good at? Despite conventional wisdom, the gifts and experience you need are already innate. Having that it factor or special ingredient isn't as elusive as you may think. P.S. You're a Genius takes you on a self-reflective journey to find your own gifts, especially when you don't feel gifted at all, asking questions like: How are your idols a reflection of your own genius? What are you great at that nobody taught you how to do? How is your darkest shadow your greatest gift? What have you been unexpectedly criticized for? Through these questions and more, you'll uncover the ways you naturally excel, relinquish the lie that you're not good enough, and discover how to convincingly convey your value to anyone. In the process, you'll unlock the gumption to go after what you really want and ditch the mindset blocks holding you back because YOU have an inherent genius. You just have to find it.
