**The Origins of the Second World War: An International Perspective** Frank McDonough, 2011-09-22 Major international experts offer new interpretations of the key aspects of the origins of the Second World War **Teaching History, Learning Citizenship** Jeffery D. Nokes, 2019 Learn how to design history lessons that foster students knowledge skills and dispositions for civic engagement Each section of this practical resource introduces a key element of civic engagement such as defending the rights of others advocating for change taking action when problems are observed compromising to promote reform and working with others to achieve common goals Primary and secondary sources are provided for lessons on diverse topics such as the Alice Paul and the Silent Sentinels Samuel Gompers and the American Federation of Labor Harriet Tubman Reagan and Gorbachev s unlikely friendship and Lincoln s plan for Reconstructing the Union With Teaching History Learning Citizenship teachers can show students how to apply historical thinking skills to real world problems and to act on civic dispositions to make positive changes in their communities Teachers will appreciate the adaptability of the unscripted lessons in this book Each lesson provides background historical context for the teacher and the resources to expose students to themes of civic engagement that cut across historical time periods and current events With the case studies ideas and sources in this book teachers can instill students with the dispositions of democratic citizens From the Foreword by Laura Wakefield interim executive director National Council for History Education *Teaching American History in a Global Context* Carl J. Guarneri, Jim Davis, 2015-07-17 This comprehensive resource is an invaluable teaching aid for adding a global dimension to students understanding of American history It includes a wide range of materials from

scholarly articles and reports to original syllabi and ready to use lesson plans to guide teachers in enlarging the frame of introductory American history courses to an international view The contributors include well known American history scholars as well as gifted classroom teachers and the book s emphasis on immigration race and gender points to ways for teachers to integrate international and multicultural education America in the World and the World in America in their courses The book also includes a Views from Abroad section that examines problems and strategies for teaching American history to foreign audiences or recent immigrants A comprehensive annotated guide directs teachers to additional print and online resources

Cold War Wisconsin Christopher Sturdevant,2018 As the Cold War gripped the world with fear of espionage and nuclear winter everyday Wisconsinites found themselves embroiled in the struggle For decades the state s nuclear missiles pointed to the skies awaiting Soviet bombers Joseph Stalin s daughter sought refuge in the small town of Richland Center With violence in Vietnam about to peak a cargo ship from Kewaunee sparked a new international incident with North Korea Manitowoc was ground zero for a Sputnik satellite crash and four ordinary Madison youths landed on the FBI s most wanted list after the Sterling Hall Bombing Local author and chairman of the Midwest Chapter of the Cold War Museum Chris Sturdevant shares the tales of the Badger State s role in this titanic showdown between East and West Back cover

*History of International Relations and Russian Foreign Policy in the 20th Century (Volume II)* Boris F. Martyn,Anatoly V. Torkunov,William C. Wohlforth,2020-01-08 This second volume focusing on 1945 1991 unpacks the reasons for the Cold War and takes the reader through its ebbs flows and unexpected end How did the allies of World War II become enemies The authors argue that the Cold War controversy could have been avoided or at least mitigated had the sides been guided by healthy pragmatism instead of ideology and megalomania Contradictory relations between the superpowers regional wars and conflicts and the scramble to escape a nuclear Holocaust all of this reads sometimes as a good detective story Perestroika and Glasnost useful as they might be came too late to radically improve the poisonous atmosphere of enmity in East West relations The end of the Cold War did not mean the end of rivalry Good will in this case did not guarantee good outcomes As civilizational cultural personal and religious contradictions begin to replace economic and social divides we need to be fully aware of our past if we are to do our best to resolve these issues
