**Atomic Rivals: The U.S., Soviet Union, and the Arms Race** Frank Green, 2024-12-18 Imagine a world on the precipice of annihilation where the fate of humanity hangs in the balance of a single miscalculation This is the world of the Cold War where two superpowers the United States and the Soviet Union engaged in a deadly game of brinkmanship fuelled by suspicion paranoia and the relentless pursuit of ultimate power This book delves into the heart of this terrifying period exploring the escalating arms race that threatened to engulf the world in nuclear fire It unveils the complex strategies technological breakthroughs and ideological clashes that shaped this tumultuous era Step into the secret laboratories and war rooms witness the development of awe inspiring weapons like the hydrogen bomb and understand the psychological impact of living under the constant threat of mutually assured destruction The book reveals the human stories behind the political machinations showcasing the lives of scientists politicians and ordinary citizens caught in the crossfire of this global conflict It examines the motivations behind the arms race dissecting the intricate web of fears and ambitions that drove both superpowers towards the brink But beyond the dangers it also explores the unintended consequences like the rise of global nuclear proliferation and the enduring legacy of mistrust that still casts a shadow over international relations today Through meticulously researched accounts and captivating narratives this book offers a compelling and insightful look into the Cold War arms race It is a reminder of the fragility of peace and the enduring human capacity for both innovation and destruction

**A Long Cold War** Jerry Carrier, 2017-11-10 A Long Cold War is a two volume cultural history of Cold War America from 1945 to 1991 This is the story of America at her peak as a world power with the fear of nuclear war and the hyper competition with the USSR and China a good read for the historical nostalgic or even casual reader

**Canadian History For Dummies** Will Ferguson, 2012-10-15 A wild ride through Canadian history fully revised and updated This new edition of Canadian History For Dummies takes readers on a thrilling ride through Canadian history from indigenous native cultures and early French and British settlements through Paul Martin s shaky minority government This timely update features all the latest up to the minute findings in historical and archeological research In his trademark irreverent style Will Ferguson celebrates Canada s double gold in hockey at the 2002 Olympics investigates Jean Chr tien s decision not to participate in the war in Iraq and dissects the recent sponsorship scandal

**American Scare** Robert W. Fieseler, 2025-06-17 A vital expos for both our history and our present day American

Scare tells the riveting story of how the Florida government destroyed the lives of Black and queer citizens in the twentieth century In January 1959 Art Copleston was escorted out of his college accounting class by three police officers In a motel room blinds drawn he sat in front of a state senator and the legal counsel for the Florida Legislative Investigation Committee nicknamed the Johns Committee His crime Being a suspected homosexual And the government of Florida would use any tactic at their disposal legal or not to get Copleston to admit it Using a secret trove of primary source documents that have been decoded and de censored for the first time in history journalist Robert Fieseler unravels the mystery of what actually happened behind the closed doors of an inquisition that held ordinary citizens ransom to its extraordinary powers The state of Florida would prefer that this history remain buried But for nearly a decade the Florida Legislature founded funded and supported the Johns Committee an organization using the cover of communism to viciously attack members of the NAACP and queer professors and students Spearheaded by Charley Johns a multi term politician in a gerrymandered legislature the Committee was determined to eliminate any threats to the state s white conservative regime Fieseler describes the heartbreaking ramifications for citizens of Florida whose lives were imperiled profiling marginalized residents with compassion and a determination to bring their devastating experiences to light at last A propulsive human centered drama with fascinating insight into Florida politics American Scare is a page turning reckoning of our racist and homophobic past and its chilling parallels to today

**McDougal Littell the Americans** Gerald A. Danzer,1999-07-23 **Kabuki at the Crossroads** Samuel L. Leiter,2013-04-17 Samuel L Leiter s **Kabuki at the Crossroads** Years of Crisis 1952 1965 is the first detailed account of Japan s kabuki theatre in the years immediately following the end of the Occupation It examines every aspect of this traditional theatre as it struggled to maintain its position in a rapidly changing postwar entertainment environment It covers acting rivalries major productions theatres international tours the convention of men playing female roles name taking and memorial ceremonies the company system and managerial strategies In addition the volume includes numerous appendixes chronicling the period including a thorough chronology and 150 summaries of new plays never previously discussed in English *The Americans: Reconstruction Through the 20th Century* Holt McDougal,2002 **The Americans** ,2003 **PERGOLESI IN THE PENTAGON** John S. Bowman,2014-07-02 Drafted into the US Army in 1954 John S Bowman was assigned to Frankfurt Germany where with other young Americans he produced a comic opera by the 18th century Italian composer Pergolesi Its success led the Army s Special Services to sponsor their company s tour around US bases and then to two more productions Mozart s Bastien und Bastienne and Bach s Coffee Cantata and also to US Information Agency sponsored performances before German audiences Working on his memoir to recapture those adventures and to convey what millions of Americans had experienced while serving in West Germany 1945 1990 Bowman came to realize that he had been participating in the so called cultural Cold War so he placed his personal story into the context of the astounding amount of US government sponsored cultural activities aimed at thwarting the appeal of Soviet

Communism in Europe Not intended as an exposé it is simply the most complete account of the incredible and sometimes hilarious arsenal of cultural weaponry deployed in the Cold War an account that almost all Americans will find both amusing and astonishing *Imperial Democracy* Melvyn Dubofsky, Athan G. Theoharis, 1988 A contemporary interpretative general survey of U S history from 1945 to the present this volume integrates social and economic history with the more traditional narrative of political and diplomatic developments

**The People's Co-op** Jim Mochoruk, Nancy Kardash, 2000 Located in the heart of Winnipeg's Northend the most class conscious and ethnically diverse part of the city the People's Co-op was always a different kind of institution Founded and then successfully run for over sixty years by members of Winnipeg's vibrant left wing Eastern European community this co-op mixed Marx milk and the masses into a heady brew of social activism and co-operative enterprise Beginning with a small coal and fuel yard in 1928 and a much larger dream of changing the world this overtly Marxist co-op quickly established itself as an important business and social presence in the North End It eventually branched out into the dairy trade established a lumber yard a public garage and at one time owned and operated two dairy plants in rural Manitoba At its height it employed over 150 men and women and contributed millions of dollars to the Manitoba economy all of this in the face of cut-throat competition and well orchestrated campaigns of red-baiting Heavily illustrated with never before seen photos and images this is an illustrated history both of a co-operative business enterprise and a unique social institution

*How Revolutionary Were the Bourgeois Revolutions?* Neil Davidson, 2012-07-24 An impressive contribution both to the history of ideas and to political philosophy Alasdair MacIntyre author of *After Virtue* Once of central importance to left historians and activists alike recently the concept of the bourgeois revolution has come in for sustained criticism from both Marxists and conservatives In this magisterial work Neil Davidson offers theoretical and historical insights about the nature of revolutions Through extensive research and comprehensive analysis Davidson demonstrates that what's at stake is far from a stale issue for the history books understanding that these struggles of the past offer far-reaching lessons for today's radicals A monumental work Neil Davidson has given us what is easily the most comprehensive account yet of the life and times of the concept of bourgeois revolution and has also provided us with a refined set of theoretical tools for understanding the often complex interactions between political revolutions which overturn state institutions and social revolutions which involve a more thoroughgoing transformation of social relations Colin Mooers author of *The Making of Bourgeois Europe* Davidson's book is one of immense and impressive erudition His knowledge of the history of Marxist theory and historiography is as detailed as it is comprehensive and must be well-nigh unrivalled The endless complex debates that characterize the Marxist tradition are distilled with clarity and illumination *Times Literary Supplement* A brilliant and fascinating book wide-ranging and lucidly written Jairus Banaji author of *Theory as History*
