Read the passage and answer the questions.

A Sunny Afternoon

One sunny day, James and his sister Anne decided to water the plants in their backyard. James and Anne always help each other so that the work is finished faster. They both enjoy gardening and farming during their summer vacations. Their parents also join them in gardening. It's like a family ritual.

While James watered the Tulips and Daffodils, Anne watered the mango and orange tree. James loves the smell of the flowers and Anne enjoys eating fruits like mangoes, oranges and bananas.

They both carefully poured the right amount of water needed by each plant. The sun was blazing and the weather was considered perfect for the growth of the plants. The soil was moist and fresh and both James and Anne placed the seeds deep within it.

After this entire process, both of them felt happy and relaxed. James and Anne look forward to every Sunday so that they can take care of their plants and make their backyard look more beautiful.

Answer the following questions:

1. What do James and Anne enjoy doing during their summer vacations?

2. Why do they look forward to every Sunday?

3. Why do they help each other?

4. What fruits does Anne like eating?

This story has been written exclusively for www.grade1to6.com by Ms. Diya Verma, a college student and a budding writer from New Delhi.
