

Fourth Grade Ecosystems Research Project

Directions: Each group of 5 students will be assigned an ecosystem to research. Groups will be assigned the Ohio River, Rain Forrest, Great Lakes, Grasslands, or Wetlands. You will use this information to create a group Google slides display about the assigned ecosystem. Each person will be responsible for creating at least one part of the project. Each person will have a different job. The job names and descriptions are attached. First, your group will be assigned an ecosystem. Each person will be assigned a job.

After you know your job, read your job description. You may begin researching. Use the internet, encyclopedia, literature books, textbooks, and magazine articles about ecosystems to find your information. Each person does their own research and records information on a loose leaf piece of paper or on index cards, unless the directions say otherwise. After the project is completed, all group members will present their final Google Slides project to the class orally. Each person will have to speak about their part of the project.
