A Dog's Work

Did you know that some dogs have jobs? A service dog is trained to help a human do many things. Service dogs can help their owners with tasks such as hearing, seeing, and picking things up.

Seeing eye dogs help a person walk in a line, cross the street safely, and guide them to their destination.

Service dogs go to work and do not pet the dog.

Today, listeners can now listen to music on their smartphones. They have their music with them wherever they go. It's all around in their pocket!
