

# Chapter 3: Cells: The Living Units Study Guide

\*This is only a guide to help you study and get you started! You are responsible for all material covered in the lectures and in the assigned textbook chapters! I suggest you print out this guide and write the definitions and answers to the review questions on it. I would recommend using a three- hole punch and inserting it into the binder you are keeping your notes in. This will help you to organize your study tools and prepare for the final exam.

## Chapter 3: Module 1 (Pg. 91 -103)

### Vocabulary:

Vocabulary words should be defined/described using your notes AND book rather than a dictionary. Definition's for general use of words is often very different than scientific use. You may also want to use the flash card link.
