

U.S. Navy Style Guide

Navy editors and writers should follow the most recent edition of the Associated Press Stylebook except as noted in this U.S. Navy Style Guide.

"A" school - Use double quotes throughout a story. If included in a quote, use single quotes: "A" school.

abbreviations, acronyms - In general, avoid abbreviations or acronyms that the reader would not quickly recognize. For reference see the Navy Style Guide addendum at the bottom of this document. Spell out on first reference with the abbreviation in parenthesis. Some acronyms, such as NATO, can be used on first reference. Check the AP Stylebook.

- Do not use acronyms or abbreviations if there is only one reference to the subject or it is an uncommon term.

aboard vs. onboard – Use aboard when referencing events taking place on a ship or aircraft. Use onboard when discussing shore based events.

- The crew is aboard the ship.
- The memorial ceremony was held onboard Naval Station Norfolk.
- Also, a Sailor is stationed "on," "at," "is serving with" or "is assigned to" a ship. A Sailor does not serve "in" a ship.
- A ship is "based at" or "homeported at" a specific place. A plane is "stationed at" or is "aboard" a ship; is "deployed with" or is "operating from" a ship. Squadrons are "stationed at" air stations. Air wings are "deployed with" ships.

active duty (noun), active-duty (adjective) - Lower case on all references.

- As a noun, two words: Navy personnel serve on active duty.
- As an adjective, hyphenate: All active-duty personnel must participate.

acting - Lower case unless at the beginning of a sentence:

Acting Secretary of the Navy Sean J. Stackley took over for former Secretary of the Navy Ray Mabus. Sean J. Stackley is the acting secretary of the Navy.

Action words (conducts, performs, participates, prepares) – This is considered MILSPEAK and should be avoided. A dental technician doesn't perform a routine dental cleaning...He cleans teeth. Sailors don't conduct maintenance in a machinery room...They lubricate the fly-wheel on a specific piece of equipment.

ages - Don't use ages unless identifying a child or the age is relevant to the story (ie: profiles, obituaries, achievements unusual for the age.)

- Always use figures.
- (From AP) The girl is 15 years old; the law is 8 years old; the 101-year-old house.
- Use hyphens for ages expressed as adjectives before a noun or as substitutes for a noun.

Dept Of The Navy Style Guide

Department of the Navy

Dept Of The Navy Style Guide:

The Naval Institute Guide to Naval Writing, 4th Edition Christopher E Crane, Estate of Robert E Shenk, 2024-06-01
With updates to every chapter this new fourth edition serves as the premier guide to professional writing for the naval services Authored by a naval officer who taught English at two service academies the book is widely used by officers enlisted men and women and civilians in both the Navy and Marine Corps Shenk provides sound practical advice on all common naval writing assignments across digital and print platforms Fully revised the book reflects the changing landscape of professional communication in general and changes in naval culture in the last decade across the fleet making it an essential guide
