Desmond Pucket Makes Monster Magic:

Desmond Pucket Makes Monster Magic Mark Tatulli, 2013-10-01 Tatulli's entry into the comics fiction hybrid market is one of the best. The target audience will snap this up and beg for more. Kirkus Reviews starred review. This is full of ghoulish fun and fans of *Diary of a Wimpy Kid* probably won't want to miss it. School Library Journal: Desmond Pucket neatly fills a gap for our readers; it's a step more sophisticated than *Diary of a Wimpy Kid* but appeals to that reader. It's also so great to have a Halloween monster scary stuff series to offer boys that is not *Goosebumps*. Rebecca Waesch, Children's Product Manager, Joseph Beth Booksellers. Meet Desmond Pucket, professor of frightology and master of monsters. Someday Desmond will be famous for his special effects wizardry, but for now he's just trying to make it through sixth grade at Cloverfield Memorial Junior High, which means he needs to stay one step ahead of the school's disciplinary officer, Mr. Needles. The only problem is Desmond just can't stop pulling pranks: like the time he attached a shrieking rubber goblin to the toilet seat in the teacher's bathroom; Mrs. Rubin screamed so loudly her wig flew off; or the time he put giant motorized worms into the mashed potatoes in the cafeteria; or the time Desmond and his best friend Ricky arranged for a three-headed ghost to crash his sister's slumber party. Rachel still hasn't forgiven him. And now Desmond has to stay prank-free for the rest of the year or he won't be able to go on the class trip to Crab Shell Pier, home of the Mountain Full of Monsters ride. It's going to be tough, but Desmond has to try. This book includes a section of Desmond's Notes: instructions for making monster magic, think scary noises or fake blood at home. *Desmond Pucket Makes Monster Magic*, 2015

Desmond Pucket and the Mountain Full of Monsters Mark Tatulli, 2014-08-05 Desmond Pucket is back, and this time he has a posse. Desmond has been waiting his whole life for this day. It is the sixth-grade field trip to Crab Shell Pier, home to the world's most awesomely fantastic ride, and Desmond has one goal: convince Tina Schimsky to ride it with him. But once inside the amusement park, Desmond finds that executing his master plan will be no simple feat. Accompanied by his best friend Ricky, Desmond must outwit both the tyrannical Mr. Needles and his nefarious mortal enemy Scott Selzer, along with anyone or anything else in the way. The race is on to reach Mountain Full of Monsters and win the girl of his dreams. Can Desmond do it? **Desmond Pucket and the**

Cloverfield Junior High Carnival of Horrors Mark Tatulli, 2016-02-16 When we last saw Desmond Pucket, he was fresh from rescuing a bus full of monsters from the now-defunct amusement park ride, The Mountain Full of Monsters. But in all the chaos of the monster rescue, Desmond never stopped to think what he was going to do with all of these scary props. But if there's one thing Desmond always has, it's ideas for making monster magic. Join Desmond and his posse of pranksters as they create their greatest show yet: The Cloverfield Junior High Carnival of Horrors. **Reaching Reluctant Young Readers** Rob Reid, 2017-03-09 *Reaching Reluctant Young Readers* features 150 middle-grade books. Each profiled title has the potential to hook the reluctant reader and lure them to read the entire book. To specifically encourage elementary and middle school-age reluctant children to read, there is first a pitch to get the reader's attention. That is followed by a short reading

passage to set the hook and encourage the young person to read the rest of the book on their own Further the book contains several hundred additional recommended titles The books selected for this collection were chosen following the criteria of reluctant reader books created by the Quick Picks committee sponsored by the Young Adult Library Services Association While these guidelines were designed for young adult books they also work well for middle grade books The criteria include clear writing no convoluted long sentences with sophisticated vocabulary high interest hook in the first few pages well defined characters interesting plot and familiar themes

Stinky Cecil in Terrarium Terror Paige Braddock,2016-02-02 Cecil and his amphibian pals are taking a well deserved break after saving their pond from freeway construction when a third grade science class shows up for a field trip The kids nab Cecil for their classroom terrarium At first Cecil is terrified but he quickly gets used to being a class pet That is until Nesbit the chameleon shows up Nesbit wants to be just like Cecil so he matches his colors and follows him all around the terrarium He s driving Cecil crazy Meanwhile Cecil s pals back at the pond are planning a rescue mission using Jeff the hamster s radio controlled helicopter But what will they do about Nesbit Join the whole pond gang for this second delightful environmental romp

The Ice Cream Kid: Brain Freeze! Todd Clark,2014-06-03 When Irwin Snackcracker leaves for school in the morning all he can think about is pizza tater tots and winning first place in the booger contest He leaps down the bannister quickly eats breakfast before brushing his teeth and dashing out the door Little does Irwin know this day will change his life He is just one brain freeze away from superpowers When Irwin unexpectedly scores the last Fudgsicle left in the ice cream cart at school he finds out that he is no longer an ordinary fourth grader Taking a big bite of the delicious frozen treat transforms Irwin into The Ice Cream Kid who with a steady supply of ice cream has the ability to run at lightning speed and talk to animals along the way Even though Irwin isn t sure if he wants to fight crime he puts riding bikes with his friends on hold to learn how his new powers work With his superhero Grandpa and sarcastic side kick Bert the pigeon Irwin learns to control his powers culminating in the ultimate showdown with Sweaty Crocker the villainous evil lunch lady poisoner of children
