*A SECRET BIRTHRIGHT* Olivia Gates, Yu Kohaku, 2017-09-17 Gwen is a single mother who discovers that her young son has a serious medical condition. The only surgeon in the world capable of helping her son is Fareed Sheik of the Jizan Kingdom. Upon visiting him, she is surprised by his willingness to help. After a successful surgery, Fareed gradually demonstrates his love toward Gwen as they spend time together, and their relationship shifts from platonic to physical. Fareed's heart is scorched with his desire for Gwen, and he pursues her with great intensity. She responds by offering herself to him night after night, and there is no doubt that Gwen loves Fareed with all her heart, but there's something that she's hiding from him.

***Hidden Stories of Jesus in Britain*** Ben Kimball, Pam Kimball, Bron Kimball, 2023-08-10 Jesus of Nazareth was the most influential person to ever walk the earth, so why do we have no record of him for nearly two decades of his short life? Or have we just not looked in the right places? Narratives have long trickled out of the British Isles, pointing to a significant connection with Jesus and with some of His most prominent disciples. Evidence reveals that Britain was not only the epicenter of an ancient global religion but became the first light of Christianity after the crucifixion. Was the royal lineage of King David preserved in the ancient British Isles? Did the ancient Druids hold beliefs in common with Judeo-Christianity? Was Joseph of Arimathea more than a wealthy disciple of Jesus? Did a young Jesus walk the shores of Britain, and if so, why? What was he doing in that remote corner of the world? If the answer to any of these questions is yes, why have these accounts not been more widely shared? These hidden stories out of Celtic Britain abound in heroism, sacrifice, and faith. The rise and ultimate fall of these noble people is a story for the ages. A battle for transparency continues today as this book reveals ancient manuscripts and other evidence that shed needed light on Britain and on the life of Jesus prior to His final ministry in Palestine.

*Write Your Own Story* Patti Ann Browne, 2022-04-26 This upbeat memoir is full of the edgy humor Patti Ann Browne's fans love. She takes an honest look at the highs and lows of her life, both on and off the air. She provides insights into the turbulent world of television news and weaves in advice for aspiring journalists, parents of preemies, working moms, and anyone trying to stay grounded in a world that increasingly values superficiality. In this entertaining and intimate memoir, the woman known by fans as The Notorious P A B reveals why she walked away from her TV news career after three decades. Patti Ann Browne also shares funny and poignant stories of her life off camera, from how she met her husband four years after turning down a blind date with him, to her son's near death shortly after his premature birth, and how it changed her perspective on life. She chronicles life as an Irish triplet and tells the dramatic story of her twin sister secretly placing a baby for adoption and being reunited with him decades later. While many books declare that you can have it all, Patti Ann dares to

say no one can but with flexibility and gratitude you can come close From local cable to MSNBC and then Fox the 1 cable news network in America Patti Ann describes her determination to write her own story She resists the pressures of climbing to the top and the sacrifices that entails ultimately choosing faith and family From her humble upbringing in Queens to rubbing elbows daily with the world s movers and shakers in Manhattan Patti Ann explains how she found a way to enjoy the perks of the glamorous life of an anchor while mostly avoiding the pitfalls Fiercely protective of her middle class lifestyle Patti Ann believes simple pleasures are life s greatest joys Her uplifting story is one of following your heart owning your mistakes living with integrity and leaving the rest to God Rooted in faith and optimism it s a redemptive tale of humility and serendipity Patti Ann demonstrates that with hard work and a willingness to change course we can all write a life story with a happy ending
