## **A Time For Giving:**

**When a Woman Ignores You** Tatiana Busan, 2025-06-22 You're putting so much into this relationship to make her understand that you care about her but you still feel that she's not as attracted to you or interested in you as you are in her. She's not giving you all the love, attention, affection, and commitment you want. When a woman ignores you, she doesn't realize your worth; she's no longer afraid of losing you. You have to change the situation. Settling for a woman who isn't right for you often has devastating repercussions: loss of self-esteem and self-worth. If you're begging for attention and love from a girl who ignores you, you're only prolonging your suffering and unhappiness longer than necessary. You're hurting yourself because you keep thinking she'll change. Even though deep down you know she's not the right woman for you, you keep hoping that things will change and that one day she'll become the woman you need. Maybe you don't want to lose her because she manipulated you into believing that you'll never find another woman, or you're afraid of being alone, or you're still attached to the past you shared together, or you simply don't have the courage to leave the comfort zone she represents. The point is always the same: you're getting less than you give and less than you deserve. You're afraid of losing this girl, of change, of pain, or of being single again. Maybe you think you have enough energy to win her over and enough strength to change her. But your strength will weaken, your energy will run out, and even your love will end because love cannot survive without reciprocity. You are in love with a woman who simply does not see your value. You give attention, affection, and your time to a woman who ignores you without receiving anything in return. It is really hard to accept that a woman ignores you, takes you for granted, and makes you doubt your worth. When a woman ignores you and does not value you, you have to change the situation. You don't deserve a woman who ignores you and has no interest in you. If you want to make a woman regret ignoring you, follow the advice in this book. You have the opportunity to rekindle a girl's interest when she starts ignoring you. In this book, you will learn how to make her regain interest, attraction, and curiosity without begging or chasing her. Not only that, but I will help you understand when to act to increase the interest of a woman who ignores you and when it is better to let her go. In this book, you will discover: Why Is a Woman Ignoring You? 11 Possible Reasons She's Pulling Away. 19 Reasons Why a Woman Might Be Taking You for Granted. What a Woman Really Thinks When She Ignores You. Here's What to Do When She Ignores You. What to Do If You're Tired of Begging for a Woman's Attention. How to Deal with a Woman's Cold and Distant Attitude. How a Man Who Truly Loves Himself Acts.
