## **Aaham Technical Certification Study Guide:**

**Health Care Job Explosion!** Dennis V. Damp, 2006 Health Care Job Explosion offers a distinct advantage over other books of this type. It is two books in one: a comprehensive Career Guide plus a dynamic Job Finder. First, it presents comprehensive health care occupational descriptions and then provides resources to locate job announcements, job hotlines, job fairs, placement services, directories, associations, and job-related books. This dual format permits comparisons between specialties and offers insight into qualifications, cross-training potential, and pay. You can easily locate occupations with similar skills and required training. Opportunities abound for all levels of education, from a high school diploma to Doctorate Degrees. Each occupational description lists required education and/or on-the-job training. This book presents detailed information for all major occupations, including Occupational descriptions, Required training and education, Advancement opportunities, Related occupations, Qualifications, Required certifications/licenses, Job outlook, Earnings/average salary, interviews with health care workers. Visit this book's companion web site at <http://healthcarejobs.org> for book updates and additional information.
