The Saturday Review ,1922 [Lying Up a Nation](#) Ronald M. Radano,2003-11 What is black music For some it is a unique expression of the African American experience its soulful vocals and stirring rhythms forged in the fires of black resistance in response to centuries of oppression But as Ronald Radano argues in this bracing work the whole idea of black music has a much longer and more complicated history one that speaks as much of musical and racial integration as it does of separation

Conservation Social Science Daniel C. Miller,Ivan R. Scales,Michael B. Mascia,2023-01-19 Groundbreaking book that examines the essential contribution of the social sciences to understanding and conserving biodiversity across the globe Authored by leading scholars at the nexus of social science and biodiversity conservation Conservation Social Science addresses the growing realization that biodiversity conservation is at heart a social phenomenon Threats to biological diversity are influenced by a wide range of political economic and cultural factors The conservation of biodiversity is conceived and carried out by people Biodiversity conservation is a manifestation of human beliefs and values Choices about which species and habitats to conserve how to prioritize efforts and how to conserve them are inherently social with consequences not just for wildlife but also human lives and livelihoods Key topics covered in this thought provoking text include An introduction to key social science disciplines and how each field specifically relates to biodiversity conservation How to make social sciences an integral part of conservation strategies and initiatives How social science theories and analytic approaches can explain and help predict patterns of human behavior How biodiversity conservation as a ubiquitous societal phenomenon can provide insights into human society in general Conservation Social Science is an essential one of a kind survey of novel approaches to explaining and fostering more effective just and enduring conservation of biodiversity It is academically rigorous and comprehensive in scope yet sufficiently nontechnical and concise to be accessible to a global audience of students faculty and environmental professionals and policymakers

British Film Noir Guide Michael F. Keaney,2008 This work presents 369 British films produced between 1937 and 1964 that embody many of the same filmic qualities as those black films made in the United States during the classic film noir era This reference work makes a case for the inclusion of the British films in the film noir canon which is still considered by some to be an exclusively American inventory In the book s main section the following information is presented for each film a quote from the film the title and release date a rating based on the five star system the production company director cinematographer screenwriter and main performers and a plot synopsis with author commentary Appendices categorize films by rating release date director and cinematographer and also provide a noir and non noir breakdown of the 47 films presented on the Edgar Wallace Mystery Theatre a 1960s British television series that was also shown in the United States
