Renegade Kids, Suburban Outlaws Wayne S. Wooden, Randy Blazak, 2001. Topics covered include exploring boundary between deviance and criminality in the lives of young people who are deeply involved in the youth culture. It shows how youth culture is not a set of categories so much as it is a dynamic and creative response to the confusions of growing up in modern society.

Education for All Kōichirō Matsuura, Unesco, 2004. In 2000, at the World Education Forum, over 160 countries committed themselves to six Education for All (EFA) goals to expand basic educational opportunities for all by 2015 as part of the international community's strategy to reduce global poverty levels. This report focuses on the factors which determine the quality of education, including financial and material resources for schools, staffing resources, and training core subjects and leadership issues. It includes case studies from a number of countries to show how both rich and developing nations are addressing the quality issue and finds that progress so far is insufficient in several regions of the world to meet the EFA targets. The report goes on to map out key policies for improving the teaching and learning process, especially in low-income countries.

Your College Experience, Two Year College Edition John N. Gardner, Betsy O. Barefoot, 2012-10-15. Written by the leading authorities on the first-year seminar and grounded in research, *Your College Experience, Two Year College Edition* by John Gardner and Betsy Barefoot offers today's diverse students the practical help they need to make the transition to college and get the most out of their time there. Goal setting has always been central to this text, and the Tenth Edition has been revised with added coverage and activities to strengthen this material throughout. In addition, a new focus on self-assessment of strengths will help students see where they are already succeeding so that they get off to a great start and stay in college. This version of the text maintains the authoritative, research-driven approach of the Tenth Edition and has been edited carefully to address the specific needs of 2-year students.
