(Unit - 1) (Our Families and Communities) (Chapter 3) (Celebrating Festivals)
(Class - 3)

• Yes, there are mountains and rivers close to where I live. The presence of these natural features makes the surroundings beautiful and serene. Visiting relatives in a faraway place is always an exciting experience. It feels refreshing to be in a new environment, experiencing different cultures, foods, and ways of life. The change of scenery, especially if it's vastly different from where I usually live, is invigorating and adds to the joy of spending time with family members I don't see often.

Let us reflect

A. Discuss

1. What are the different modes of transport used during travel?
2. How can one be safe during travels?
3. What special foods are prepared during festivals?

Discovery 3 Chapter 8:

I Need to Scream! Would Anyone Even Hear Me? Lorraine Valyo Davis, 2006-01-13 The prospect of having to care for an ill loved one takes most of us by surprise Once a diagnosis or treatment schedule has been determined a caregiver must learn how to multi task in very creative ways Usually this is learned by trial and error Until now I Need to Scream Would Anyone Even Hear Me is a handbook for the caregiver Once a loved one needs a health advocate a caregiver is born and then quickly baptized by fire This book will help douse that inferno It includes chapters on how to select a hospital and doctor along with sections on medications family matters and most importantly how to take care of his or her self in the process This is not a scientific project It is a personal account written by a caregiver It contains suggestions on how to make the transition from normal life to a new life as painless as possible I Need to Scream Would Anyone Even Hear Me attempts to remove the guilt and negativity that can become part of a caregiver s life It also includes blank pages at the end of each chapter so that the caregiver is able to jot down notes questions or reflections This is a book that is long overdue Caregivers are part of a strong and silent group They need a voice Few people realize the traumatic role of the caregiver unless one has had experience like the author of this book We do not know when a serious illness or accident will befall a loved one It is for that reason that this book should be in every library home and hospital I Need to Scream Would Anyone Even Hear Me is unlike most publications that include this subject This book is primarily for caregivers and the people who love them

Emily Goes Back in Time to Become Queen Farah Sepanlou, In a modern city bustling with life Emily a dedicated historian fascinated by the untold narratives of the past discovers an ancient relic that unexpectedly transports her to a kingdom where history and magic are deeply intertwined She finds herself in the midst of opulent courts ruled by King Alexander a monarch adored by his subjects yet trapped in complex political schemes threatening his reign As Emily navigates through this unfamiliar era she learns that her arrival was prophesied a stranger from another time destined to save the kingdom from impending doom Amidst navigating court politics and unraveling historical mysteries Emily forms an unexplainable bond with King Alexander Their connection transcends logic hinting at a destiny written in the stars However their growing love faces formidable challenges Emily s presence incites jealousy and fear among the court s power players especially the queen dowager who sees Emily as a direct threat to her influence over her son and the throne As tensions rise and war looms closer Emily is torn between

Millionaire Financial Freedom Success Money Habits: Powerful Lessons On How To Get Rich And Building Wealth M. D. Hope, From Rock Bottom to Real Riches It s Your Time to Rise The cold hard reality of the eviction notice in my hand was a gut punch At 28 I was drowning in debt my fledgling entrepreneur dreams circling the drain and the roof over my head about to be ripped away This wasn t the life I envisioned when I first dove into those entrepreneurship books fueled by the stories of self made millionaires This wasn t the success promised in all those business books for entrepreneurs that lined my shelves the ones I d practically memorized hoping to decode the secret to building wealth I felt like a fraud a failure a living testament to the chasm between aspiration and reality My relationship with money was toxic built on a foundation of scarcity and fear Growing up extra was a four letter word My parents worked themselves to the bone yet there was always that underlying anxiety about personal finance It wasn t their fault they were doing their best But it instilled in me a deep seated belief making money real money was for other people People with connections with privilege with some secret knowledge I clearly didn t possess I read all the finance books and even investment books that I could get my hands on but the concepts seemed abstract disconnected from my reality I lacked true financial literacy My entrepreneurial journey started with a spark of hope I launched a small online business selling handcrafted jewelry I imagined myself as one of those inspiring stories you read about in entrepreneur books a testament to the power of hard work and ingenuity But the reality was brutal My efforts felt like throwing pebbles into the ocean I didn t understand marketing my sales were dismal and the weight of my mounting debt was crushing Then came that eviction notice It was my rock bottom But in that moment of despair something shifted My father s words etched in my memory from childhood echoed in my mind Son you can do anything you set your mind to A surge of defiance of determination coursed through me I refused to be a victim of my circumstances I decided right there and then that I would learn how to become rich not for the sake of luxury but for the freedom and security it represented I would master my financial intelligence That decision marked the beginning of my transformation I devoured every money making book I could find but this time with a laser focus and a hunger to truly understand I immersed myself in the world of online marketing studying successful entrepreneurship books and courses I wasn t just reading I was implementing experimenting and learning from every mistake I began to see patterns to understand the principles behind building wealth principles that went far beyond get rich quick schemes This entrepreneurship book is different Slowly painstakingly I started to see results My little jewelry business began to gain traction The first month I made a real profit I cried tears of joy It wasn t just about the money it was about proving to myself that I could do it It was about rewriting my story This book is the culmination of that journey It s the roadmap I wish I d had when I was starting out lost and overwhelmed It s a step by step guide to building

wealth by transforming your mindset skills and assets It s about mastering your relationship with money and developing the financial intelligence you need to thrive It s about showing you how to become rich not through luck or magic but through proven Millionaire Financial Freedom Success Money Habits This is not just another finance book or investment book This is the distillation of years of struggle learning and ultimately triumph This entrepreneurship book is a guide It s a testament to the fact that no matter where you re starting from no matter how many times you ve stumbled you have the power to change your financial destiny It s time to break free from the shackles of limiting beliefs and build the life you deserve Let s begin this journey together It is my sincere hope that this money making book will be an asset to you on your journey

Project Reset Richard Hasey,2009-11 What if you could go back in time to change some things What would you change How would you change it What if going back meant completely forgetting who you are and actually becoming your younger self and all you could do is send yourself a message or two to help you On top of that it s a one time one way trip and you actually have to completely live your life all over again with a 50% chance that the trip will make you go insane Do you still want to try This a story of a very different life than anyone has ever lived because starting from age 6 Alan Hayes knows the future or at least some of it and he s going to try to change it as he lives his life again But what will trying to change the future do to Alan and those he cares about Richard Hasey was born and brought up in Bangor Maine where he graduated from Bangor High School He has a BS from Norwich University and a MBA from Babson College After graduating from Norwich Richard married his high school sweetheart spent 6 years in the US Army and earned a CPA License Richard has written a number of technical papers over the years and has only recently begun to write fiction Currently Richard is working as an independent contractor helping firms improve their compliance with the Sarbanes Oxley Act of 2002 the Enron Bill Richard became a Christian when he was in college over 30 years ago and the Lord has asked him to do many things that have challenged his faith some of which have been alluded to in the stories he s written Richard and his wife Jane live in Tewksbury MA and are still happily married after 33 years
