*Full STEAM Ahead* Cherie P. Pandora, Kathy Fredrick, 2017-10-03 This book is a toolkit for youth and young adult librarians school and public who wish to incorporate science technology engineering art and math STEAM into their programs and collections but aren't sure where to begin Most educators are well aware of the reasons for emphasizing STEAM topics that fall within the broad headings of science technology engineering arts and mathematics in the curriculum regardless of grade level But how do librarians who work with tweens in middle school high school and public libraries fit into the picture and play their roles to underscore their relevance in making STEAM initiatives successful This book answers those key questions providing program guidelines and resources for each of the STEAM areas Readers will learn how to collaborate in STEAM efforts by providing information on resources activities standards conferences museums programs and professional organizations Emphasis is placed on encouraging girls and minorities to take part in and get excited about STEAM In addition the book examines how makerspaces can enhance this initiative how to connect your programs to educational standards where to find funding how to effectively promote your resources and programs including how school and public librarians can collaborate to maximize their efforts how to find and provide professional development and how to evaluate your program to make further improvements and boost effectiveness Whether you are on the cusp of launching a STEAM initiative or looking for ways to grow and enhance your program this book will be an invaluable resource

*U.S. Latino Issues* Rodolfo F. Acuña, 2017-01-26 A revision of the popular previous edition published more than a decade earlier this work examines today's U.S. Latino population now arguably the most important minority group in the country with numbers well over 50 million strong in an increasingly diverse and integrated America Latinos are the largest minority in the United States and as such Latino Americans have a tremendous influence on the culture workforce economy and politics of this country This second edition of U.S. Latino Issues provides updated content stats and data for each topic and it frames critical questions and multiple viewpoints on Latinos in the United States that will be useful to student researchers The responses to the critical questions come from Latino experts and scholars and other well known subject experts providing readers with insights from various informed points of view all in a single volume The book covers hundreds of topics regarding Latino Americans such as gender sexuality indigenous culture race and cultural identity health and wellness education and interracial dating and marriage and it offers in depth comparisons of the Latino groups and shows how events in their native countries affect them Readers will have access to concise and up to date information on controversial topics such as affirmative action immigration reform open

borders policy versus border enforcement changing relations between the United States and Cuba and Puerto Rico's contested status as a commonwealth versus a state *Social Issues in Living Color* Arthur W. Blume, 2017-02-16 Offering fresh and exciting approaches to solving global problems this book creatively views challenging social issues through the lens of racial and ethnic psychology As the demographic makeup of the American population continues to evolve understanding and addressing the psychological needs of ethnic minorities in the United States becomes more important to the overall health and well being of society This three volume set is the first publication to explicitly tackle social issues from the perspective of racial and ethnic psychology It uniquely presents racial and ethnic psychological perspectives on topics such as media criminal justice racism climate change gender bias and health and mental health disparities Volume one introduces readers to the basic scientific concepts of racial and ethnic minority psychology and then examines the intersectionality of race ethnicity gender and sexual orientation It also addresses how race and ethnicity affect communication styles leadership styles and media The second volume discusses the experiences of individuals within racial and ethnic minorities including overt racism covert racism and colonialism and addresses how ethnic minority psychology plays a role in our educational system poverty global climate change and sustainability The third volume covers ethics in health and research considers the causes of health and mental health disparities and identifies diversity initiatives that can improve the health and well being of all citizens not just racial and ethnic minority citizens [Oswaal SSC CHSL Combined Higher Secondary Level \(10+2\) Tier-1 | 25 Previous Years Solved Papers | Year-wise 2017-2023 | For 2024 Exam](#) Oswaal Editorial Board, 2024-02-20 Description of the Product 100% Updated With 2023 Papers Fully Solved Extensive Practice With 2500 Questions and Two Practice Papers Concept Clarity Learn Key Concepts through Detailed Explanations Valuable Exam Insights With Hints Shortcuts Expert Tips to crack SSC CHSL Tier 1 in the first attempt 100% Exam Readiness With the Latest Five Years Trend Analysis 2020 2023 *Celebrating Life Customs around the World* Victoria R. Williams, 2016-11-21 This book documents hundreds of customs and traditions practiced in countries outside of the United States showcasing the diversity of birth coming of age and death celebrations worldwide From the beginning of our lives to the end all of humanity celebrates life's milestones through traditions and unique customs In the United States we have specific events like baby showers rites of passage such as Bat and Bar Mitzvahs and sweet 16 birthday parties and sober end of life traditions like obituaries and funeral services that honor those who have died But what kinds of customs and traditions are practiced in other countries How do people in other cultures welcome babies prepare to enter into adulthood and commemorate the end of the lives of loved ones This three volume encyclopedia covers more than 300 birth life and death customs with the books content organized chronologically by life stage Volume 1 focuses on birth and childhood customs Volume 2 documents adolescent and early adulthood customs and Volume 3 looks at aging and death customs The entries in the first volume examine pre birth traditions such as baby showers and other gift giving events and post birth customs such as naming ceremonies child rearing

practices and traditions performed to ward off evil or promote good health The second volume contains information about rites of passage as children become adults including indigenous initiations marriage customs and religious ceremonies The final volume concludes with coverage on customs associated with aging and death such as retirement celebrations elaborate funeral processions and the creation of fantasy coffins The set features beautiful color inserts that illustrate examples of celebrations and ceremonies and includes an appendix of excerpts from primary documents that include legislation on government accepted names wedding vows and maternity paternity leave regulations
