*The Internet Writer's Handbook* Martha C. Sammons, 1999. The Internet Writer's Handbook is an easily accessible vital reference tool in the age of electronic communication; it teaches how to write well on line. Too often writers attempt to create Web pages by simply using the same techniques they use for print documents. The Internet Writer's Handbook offers those writers specific advice on writing and designing on line hypertext documents. In addition to entries on HTML elements, researching on the Internet, e-mail style, and other such contemporary topics, the Handbook places unique emphasis on online writing techniques. The book includes up to the minute research on online help, hypertext, Web page design, concise writing techniques, usability testing, interface design, and Web sites. Reflecting the author's extensive experience as a consultant in business and technical writing, this handbook will appeal to anyone who needs help in creating a Web page.
