Business Research Methods Uma Sekaran 5th Edition:

Research Methods for Business Uma Sekaran, Roger Bougie, 2010-02-02 Research Methods for Business A Skill Building Approach 5th Edition is a concise and straightforward introduction for students to the world of business research. The skill building approach provides students with practical perspectives on how research can be applied in real business situations. Maintaining Uma Sekaran's popular and accessible style of writing, Roger Bougie draws upon his extensive experience of the field to present an up to date guide on business research for the aspiring future manager. The fifth edition has a new chapter on qualitative data analysis featuring a case study of the research process. The chapters on scientific investigation, the broad problem area and defining the problem statement, measurement of variables, experimental designs, sampling and quantitative data analysis have all been substantially revised. Additional real life cases have been included and examples are taken from Europe, Asia and the US to give students a comprehensive view of modern business research methods. RESEARCH METHODS FOR BUSINESS : A SKILL BUILDING APPROACH, 5TH ED Uma Sekaran, Roger

Bougie, 2011-06-01 Market_Desc The book is intended for all business and marketing students taking Research Methods usually 2nd year and 3rd year as well as conversion masters and masters courses. About The Book Reputed for its clear and practical approach, Sekaran offers a framework for conducting research in a scientific manner in all areas of business. Students learn to develop practical knowledge and skills to understand and carry out research projects. This new edition is updated to strengthen areas of the text such as Data Analysis and to totally refresh the section on the role of technology and the use of statistical packages in research. Examples and scenarios will be updated and the book continues to emphasize managerial relevance and ethical implications throughout. **Penelitian Bisnis - Paradigma Kuantitati , Research**
