McDougal Littell the Americans Gerald A. Danzer, 1999-07-23 The Americans McDougal-Littell Publishing Staff, 2002-03-04 **The Book of the Secrets of the Faithful of the Cross** Marino Sanudo, 2011 This is the first full English translation of Marino Sanudo Torsello's *Secreta fidelium Crucis* a piece of crusading propaganda following the fall of Acre in 1291 written between 1300 and 1321 and based on the translation edited by Jacques Bongars in 1611 With references to 13th century Mediterranean history especially Louis IX of France and Charles of Anjou it contains a vast amount of cartographical ethnographical geographical and nautical information with unique insights into events and personalities not only in Outremer but in Western Europe **The Americans: Reconstruction Through the 20th Century** Holt McDougal, 2002 Marino Sanudo Torsello, The Book of the Secrets of the Faithful of the Cross Peter Lock, 2016-05-06 This is the first full translation of Marino Sanudo Torsello's *Secreta fidelium Crucis* to be made into English The work itself is a piece of crusading propaganda following the fall of Acre in 1291 written between 1300 and 1321 but it includes much of historical relevance along with interesting observations on the early history of Jerusalem and the Crusader Kingdom The translation is based upon the text edited by Jacques Bongars in 1611 There is an introduction that contextualises the book its author his sources and his audience The notes provide essential information to clarify internal textual references and allusions as well as the role of Biblical references in Sanudo's grand design The index is designed to make this detailed text usable and accessible In this his major work Sanudo advocated the conquest of Egypt as the means to regain Jerusalem for the Latins and worked through his points with considerable detail alongside references to 13th century Mediterranean history especially involving Louis IX of France and Charles of Anjou king of Naples Books I and II give considerable detailed discussion of the concept plan and costs of his proposed crusade Book III provides an outline history of the crusades and the crusader states It is derived from a wide reading of other sources especially of William of Tyre and for events after 1184 on the Eracles the letters of James of Vitry and Sanudo's own experiences in the east Throughout the work contains a staggering amount of cartographical ethnographical geographical and nautical information as well as numerous unique insights into historical events and personalities of the late 13th century not only in Outremer but in Western Europe **Ira Fistell's Mark Twain:** Ira Fistell, 2012-04-05 Ira Fistell's *Mark Twain Three Encounters* begins with a perceptive analysis of the author's major novels which will be a revelation to any reader of Twain Ira proves that *Tom Sawyer* is anything but a kids book explains why the ending of *Huckleberry Finn* often dismissed as just cheating is actually the most brilliant part of the book makes sense of the confusing and difficult *Connecticut Yankee* and discovers the tragedy in *The Tragedy of Pudd'nhead Wilson* Then this book explores how the places Twain lived affected what he wrote and concludes with a stunning explanation of the author's terrible guilt in his later years No other study of Twain and his work compares with this one it is the essential book on this subject *The Americans*, 2003 *Communists and Perverts under the Palms* Stacy

Braukman,2012-03-01 In 1956 state Senator Charley Johns was appointed the chairman of the newly formed Florida Legislative Investigation Committee now remembered as the Johns Committee This group was charged with the task of unearthing communist tendencies homosexual persuasions and anything they saw as subversive behavior in academic institutions throughout Florida With the cooperation of law enforcement the committee interrogated and spied on countless individuals including civil rights activists college students public school teachers and university faculty and administrators Today the actions of the Johns Committee are easily dismissed as homophobic and bigoted Communists and Perverts under the Palms reveals how the creation of the committee was a logical and unsurprising result of historic societal anxieties about race sexuality obscenity and liberalism Stacy Braukman illustrates how the responses to those societal anxieties particularly the Johns Committee laid the foundation for the resurgence of conservatism in the 1960s Braukman is considered and nuanced in her stance refusing a blanket condemnation of the extremism of a committee whose influence even decades after its dissolution continues to be felt in the culture wars of today
