

Chapter 2section Kennedy And The Cold War

**Edward Mortimer, International
Institute for Strategic Studies**

Chapter 2 section Kennedy And The Cold War:

Information Regimes During the Cold War in East Asia Jason Morgan, 2020-10-12 Morgan and his contributors develop the concept of the Information Regime as a way to understand the use abuse and control of information in East Asia during the Cold War period During the Cold War war itself was changing as was statecraft Information emerged as the most valuable commodity becoming the key component of societies across the globe This was especially true in East Asia where the military alliances forged in the wake of World War II were put to the most severe of tests These tests came in the form of adversarial relations between the United States and the Soviet Union as well as pressures within their alliances which eventually caused the People s Republic of China to break with from Moscow while Japan for a time during the 1950s and 1660s seemed poised to move away from Washington More important than military might or economic influence was the creation of information regimes swathes of territory where a paradigm ideology or political arrangement were obtained Information regimes are not necessarily state centric and many of the contributors to this book focus on examples which were not so Such a focus allows us to see that the East Asian Cold War was not really cold at all but was the epicentre of an active contentious birth of information as the defining element of human interaction This book is a valuable resource for historians of East Asia and of developments in information management in the twentieth century

Hemispheric Alliances Andrew J. Kirkendall, 2022-04-27 Hemispheric foreign policy has waxed and waned since the Mexican War and the Cold War presented both extraordinary promises and dangerous threats to U S Latin American cooperation In Hemispheric Alliances Andrew J Kirkendall examines the strengths and weaknesses of new models for U S Latin American relations created by liberal Democrats who came to the fore during the Kennedy administration and retained significant influence until the Reagan era Rather than exerting ironfisted power in Latin America liberal Democrats urged Washington to be a moral rather than a militaristic leader in hemispheric affairs Decolonization President Eisenhower s missteps in Latin America and the Cuban Revolution all played key roles in the Kennedy administration s Alliance for Progress which liberal Democrats hailed as a new cornerstone for U S Latin American foreign policy During the Vietnam War era liberal Democrats began to incorporate human rights more centrally into their agendas using Latin America as the primary arena for these policies During the long period of military dictatorship in much of Latin America and the Caribbean liberal Democrats would see their policies dissolved by the Nixon Reagan and Bush administrations who favored militant containment of both communism and absolutism

Nuclear Shadowboxing: Contemporary Threats from Cold War Weaponry; Volume 1: Cold War Redux Alexander DeVolpi, Vladimir E. Minkov, Vadim A. Simonenko, George S. Stanford, 2004

The Dissolution of Yugoslavia and the Badinter Arbitration Commission Steve Terrett, 2017-11-22 This title was first published in 2000 Yugoslavia s dissolved at a time when rhetoric of the New World Order was firmly established in legal and political discourse Nevertheless the largely positive appraisal of international law s response to the Iraq Kuwait conflict has not been mirrored

in relation to Yugoslavia This book evaluates the peace making efforts of the major institutional actors whilst focusing specifically on the Badinter Arbitration Commission an ad hoc EC created organ required to provide legal advice on the issues surrounding Yugoslavia s dissolution Initially composed of constitutional lawyers aiming to redraft Yugoslavia s constitution the Commission soon faced problems of public international law Its jurisprudence challenges international lawyers to reassess their state centric conceptions of international law in a world where most conflicts war crimes and human rights abuses exist within rather than between States This book is vital reading for anyone interested in international law international relations politics and central eastern European studies

Post World War II Presidential Rhetoric on Technology Stephen Donald Geahry,1998 *Dallas Forever Changed* Dan Helpingstine,2015-06-24 A city is redefined by the JFK assassination As Pres John F Kennedy gasped his final breath the city of Dallas died with him For decades the city struggled to recover from its image as the City of Hate Citizens of Dallas were scorned and the city excoriated in the press Only the passage of time and cultural triumphs such as the Dallas Cowboys and the television show Dallas brought healing and distance But as the fiftieth anniversary of Kennedy s assassination drew near the city of Dallas struggled publicly and privately over proposed commemorations of the event exacerbated by the lingering questions left unanswered by the Warren Commission s report Factions were drawn into conflict over the goals of the public events Drawing on scores of interviews and primary sources author Dan Helpingstine paints a full picture of the complex forces that continue to shape Dallas today

Native Activism in Cold War America Daniel M. Cobb,2008 Broadens the scope and meaning of American Indian political activism by focusing on the movement s early and largely neglected struggles revealing how early activists exploited Cold War tensions in ways that brought national attention to their issues

FDR and the Soviet Union Mary E. Glantz,2005 Throughout his presidency Franklin Roosevelt was determined to pursue a peaceful accommodation with an increasingly powerful Soviet Union an inclination reinforced by the onset of world war Roosevelt knew that defeating the Axis powers would require major contributions by the Soviets and their Red Army and so despite his misgivings about Stalin s expansionist motives he pushed for friendlier relations Yet almost from the moment he was inaugurated lower level officials challenged FDR s ability to carry out this policy Mary Glantz analyzes tensions shaping the policy stance of the United States toward the Soviet Union before during and immediately after World War II Focusing on the conflicts between a

president who sought close relations between the two nations and the diplomatic and military officers who opposed them she shows how these career officers were able to resist and shape presidential policy and how their critical views helped shape the parameters of the subsequent Cold War Venturing into the largely uncharted waters of bureaucratic politics Glantz examines overlooked aspects of wartime relations between Washington and Moscow to highlight the roles played by U S personnel in the U S S R in formulating and implementing policies governing the American Soviet relationship She takes readers into the American embassy in Moscow to show how individuals like Ambassadors Joseph Davies Lawrence Steinhadt and Averell Harriman and U S military attaches like Joseph Michela influenced policy and reveals how private resistance sometimes turned into public dispute She also presents new material on the controversial military attach lend lease director Phillip Faymonville a largely neglected officer who understood the Soviet system and supported Roosevelt s policy Deftly combining military with diplomatic history Glantz traces these philosophical and policy battles to show how difficult it was for even a highly popular president like Roosevelt to overcome such entrenched and determined opposition Although he reorganized federal offices and appointed ambassadors who shared his views in the end he was unable to outlast his bureaucratic opponents or change their minds With his death anti Soviet factions rushed into the policymaking vacuum to become the primary architects of Truman s Cold War containment policy A case study in foreign relations high level policymaking and civil military relations FDR and the Soviet Union enlarges our understanding of the ideologies and events that set the stage for the Cold War It adds a new dimension to our understanding of Soviet American relations as it sheds new light on the surprising power of those in low places

President John F. Kennedy's Office Files, 1961-1963: Staff memoranda file (9 reels) ,1989 **European Security After the Cold War** Edward Mortimer,International Institute for Strategic Studies,1992 An assessment of the dangers to peace in Europe since the Soviet collapse and of the Western responses they require *The New York Times Index* ,1929 *UNITED STATES POLITICAL SCIENCE DOCUMENTS Volume Thirteen 1987 part 2 Document Descriptions* ,1988 **Current Magazine Contents** Kirke Mechem,1929

President John F. Kennedy's Office Files, 1961-1963: Countries file (28 reels) ,1989 [Educational Film/video Locator of the Consortium of University Film Centers and R.R. Bowker Consortium of University Film Centers](#),1986

President John F. Kennedy's Office Files, 1961-1963: Special correspondence, speech, legislative, and press conference files (23 reels) Robert Lester,1989 *European Security Beyond the Cold War* Adrian G. V. Hyde-Price,1991-08-28 Current world events are shattering many accepted views of national security New views of collective security incorporating reform integration and unification are replacing nationalistic policies of security How will European security be shaped in light of these changes Adrian Hyde Price takes up this issue one of the most vital contemporary questions in world politics in this intriguing volume In his consideration of the forces and processes at work in the fundamental transformations that have been reshaping Europe over recent years the author focuses on the unification of

Germany Mikhail Gorbachev's reform program the accelerating pace of West European integration through the European Community and the uncertainties surrounding America's future role in a Europe beyond containment This major work outlines four types of possible alternative security structures for the year 2010 and suggests a number of principles which should govern the construction of a new security system for a Europe beyond the cold war A collection of up to date information and detailed analysis this farsighted and pioneering volume is valuable reading for scholars and practitioners in political science international relations and European studies this book represents serious thinking and should be able to assist most readers in getting if not a hold then a finger on the unfolding situation it is a solid work nowhere else is all that information collected and presented systematically a solid historical presentation of especially the second half of the 1980s International Affairs The most impressive characteristic of the book is the way in which it manages to cover an immense amount of empirical and theoretical ground in a fashion which is very easy to read The style is straight forward without being mechanical it reduces to a manageable level the great complexity of European security today in a manner which strongly re

Elite Deviance David R. Simon, 2006 A journey of self discovery that leads to expected results and unexpected realities for Taylor Alexander The past of Hattie Taylor is seen by the lens of a new generation as the American Century serves as a backdrop The collision of generational sins and the consequences that create strife for the future and challenge the past
