

The Scarlet Letter

Here's how it all goes down:

- 1 Hester Prynne**
Hester Prynne has had a baby, Pearl, and is in jail wearing a scarlet "A" to mark her as an adulteress.

- 2 Roger Chillingworth**
Hester's husband returns to town and pretends to be Roger Chillingworth. His plan is to find Hester's lover.

- 3 Arthur Dimmesdale**
Roger is quick to realize that Arthur Dimmesdale is Hester's lover and harasses him for the next seven years. Arthur is sick with guilt.

- 4 Plan**
Hester tells Arthur who Roger truly is and they plan to settle together back in England. Arthur, still feeling guilty, develops a nasty red mark on his chest.

- 5 Confession**
Arthur backs out of the plan and confesses his sin. Standing on the scaffold, he tears open his shirt to display his red mark to the entire town before dying.

- 6 More Death**
Chillingworth dies and leaves all his money to Pearl. Pearl and Hester are now able to leave the colony and head back to England.

- 7 Return**
In the end, Hester returns to the colony and proudly continues to wear her letter. Later she dies and is buried next to Arthur. The letter "A" is marked on her grave.

The Literary Legacy of Child Sexual Abuse Beverly Haviland, 2023-07-20 This book examines the representation of child sexual abuse in five American novels written from 1850 to the present. The historical range of the novels shows that child sexual abuse is not a new problem although it has been called by other names in other eras. The introduction explains what literature and literary criticism bring to persistent questions that arise when children are sexually abused. Psychoanalytic concepts developed by Freud, Ferenczi, Kohut, and Lacan inform readings of the novels. Theories of trauma, shame, psychosis, and perversion provide insights into the characters represented in the stories. Each chapter is guided by a difficult question that has arisen from real life situations of child sexual abuse. These are previewed in the Personal Preface and Introduction and succinctly reviewed in the Afterword that weaves the chapters together. Legal and therapeutic interventions respond with their disciplinary resources to the questions as they concern victims, perpetrators, and witnesses. Literary criticism offers another analytic framework that can significantly inform those responses.

Critical Encounters in Secondary English Deborah Appleman, 2023-12-22 Grounded in solid theory with new field tested classroom activities, the fourth edition of *Critical Encounters in Secondary English* continues to help teachers integrate the lenses of contemporary literary theory into practices that have always defined good pedagogy. The most significant change for this edition is the addition of Critical Race Theory (CRT) as an analytical lens. CRT offers teachers fresh opportunities for interdisciplinary planning and teaching as it lends itself to lessons that encompass a variety of disciplines such as history, sociology, psychology, and science. As with the previous edition, each chapter concludes with a list of suggested nonfiction pieces that work well for the particular lens under discussion. This popular text provides a comprehensive approach to incorporating nonfiction and informational texts into the literature classroom with new and revised classroom activities appropriate for today's students.

Praise for the Third Edition: What a smart and useful book! It provides teachers with a wealth of knowledge and material to help their students develop critical perspective and suppleness of thought. Mike Rose, University of California, Los Angeles. This Third Edition proves that Appleman still has her hand on the pulse of the rapidly changing landscape of education. Ernest Morrell, Teachers College, Columbia University. This new edition of Deborah Appleman's now classic book demonstrates even more dramatically than previously how the critical theories she so skillfully teaches serve not only as lenses for the reading of literature but as tools for discovering, interrogating, and
