**Agrarian Capitalism, War and Peace in Colombia** Jacobo Grajales,2021-06-16 Based on extensive research conducted in Colombia since 2009 this book addresses the connection between land grabbing and agrarian capitalism as well as the unfulfilled promises of peace and justice While land remains a key resource at the core of many contemporary civil wars the impact of high intensity armed violence on the formation of agrarian capitalism is seldom discussed Drawing on nearly 200 interviews archival research and geographical data this book examines land grabbing and the role of violence in capital with a particular focus on one key actor in the Colombian civil war paramilitary militias This book demonstrates how the intricate ties between armed conflict and economy formation are obscured by the widespread belief that violence is a radical form of action breaking with the normal course of society and disconnected from the legal economy Under this view dispossession is perceived as diametrically opposed to capitalist accumulation This belief is enormously influential in precisely those bureaucratic agencies that are in charge of peacebuilding both domestically and internationally However this narrow view of the relationship between armed violence and capitalism belies the close ties between plunder and lawful profit and obscures the continuity between violent dispossession and the free market By the same token it legitimizes post war inequality in the name of capitalist development The book concludes by arguing that the promotion of radical democracy in the government of land and rural development emerges as the only reasonable path for pacifying a violent polity The book is essential reading for students scholars and development aid practitioners interested in land and resource grabbing agrarian capitalism civil

wars and conflict resolution      *The Birth and Unfolding of Phases in History* Michael A. Susko, 2025-09-10 The Birth and Unfolding of Phases in History From Neolithic to World Pueblo and U S History brings together four major works into a single arc of human time Michael A Susko argues that the rhythm of history is not confined to the rise of empires but begins in the Neolithic with triadic 45 year generations that set the first phases of historical time in motion Using this framework the book explores Neolithic atal h y k as a non empire model of symbolic and generational phasing This Initial work is in progress World history through Egypt Judah Israel Rome and the Medieval Modern era contrasting empire based and prophetic alternatives Ancestral Pueblo history as a more egalitarian path outside empire s mold U S history as a largely empire driven model tempered by ideals of freedom and equality This panoramic view balances empire and non empire trajectories showing how civilizations universalize their visions either through force or through sharing covenant and inclusion Written in accessible language yet grounded in rigorous patterning it invites readers to see history not as inevitable empire but as a set of choices that continue to shape our present and future      **Iraq and the Crimes of Aggressive War**

John Hagan, Joshua Kaiser, Anna Hanson, 2015-06-04 From the torture of detainees at Abu Ghraib to unnecessary military attacks on civilians this book is an account of the violations of international criminal law committed during the United States invasion of Iraq Taking stock of the entire war it uniquely documents the overestimation of the successes and underestimation of the failings of the Surge and Awakening policies The authors show how an initial cynical framing of the American war led to the creation of a new Shia dominated Iraq state which in turn provoked powerful feelings of legal cynicism among Iraqis especially the Sunni The predictable result was a resilient Sunni insurgency that re emerged in the violent aftermath of the 2011 withdrawal Examining more than a decade of evidence this book makes a powerful case that the American war in Iraq constituted a criminal war of aggression      *God's Unfolding Battle Plan* Chuck D.

Pierce, 2007-09-04 This new book from Chuck Pierce continues to empower Christians to face the exciting present and future for the Church that he began to lay out in *The Future War of the Church* Yes we are in the midst of a battle that will only increase in strength but the victory has already been promised Outlining the next 7 year period of spiritual war 2008 2015 Pierce shows how God will advance His kingdom causing the faithful to rise up and God s will to be done here on Earth as it is in Heaven God s Unfolding Battle Plan offers a glimpse into what s ahead as well as encouragement to triumph over the attending forces of lawlessness hopelessness and violence Discover what God has said to Pierce about the upcoming period and learn how to prosper through strategic intercession worship warfare and a powerful new weapon of intercession the four watches of the night Remain hopeful knowing you are a part of God s unfolding battle plan and the best is still ahead      **The**
