

Chapter 7

- Winston writes in his diary that any hope for revolution against the Party must come from the proles.
- He believes that the Party cannot be destroyed from within and that even the Brotherhood, a legendary revolutionary group, lacks the wherewithal to defeat the mighty Thought Police.
- The proles, on the other hand, make up eighty-five percent of the population of Oceania, and could easily muster the strength and manpower to overcome the Police.
- However, the proles lead brutish, ignorant, animalistic lives, and lack both the energy and interest to revolt; most of them do not even understand that the Party is oppressing them.
- Winston looks through a children's history book to get a feeling for what has really happened in the world.
- The Party claims to have built ideal cities, but London, where Winston lives, is a wreck: the electricity seldom works, buildings decay, and people live in poverty and fear.
- Lacking a reliable official record, Winston does not know what to think about the past.
- The Party's claims that it has increased the literacy rate, reduced the infant mortality rate, and given everyone better food and shelter could all be fantasy.
- Winston suspects that these claims are untrue, but he has no way to know for sure, since history has been written entirely by the Party.
- Winston remembers an occasion when he caught the Party in a lie.
- In the mid-1960s, a cultural backlash caused the original leaders of the Revolution to be arrested.
- One day, Winston saw a few of these deposed leaders sitting at the Chestnut Tree Café, a gathering place for out-of-favor Party members.
- A song played—"Under the spreading chestnut tree / I sold you and you sold me"—and one of the Party members, Rutherford, began to weep.
- Winston never forgot the incident, and one day came upon a photograph that proved that the Party members had been in New York at the time that they were allegedly committing treason in Eurasia.
- Terrified, Winston destroyed the photograph, but it remains embedded in his memory as a concrete example of Party dishonesty.
- Winston thinks of his writing in his diary as a kind of letter to O'Brien.
- Though Winston knows almost nothing about O'Brien beyond his name, he is sure that he detects a strain of independence and rebellion in him, a consciousness of oppression similar to Winston's own.
