Checklist Of Adaptive Living Skills:

Checklist of Adaptive Living Skills Lanny E. Morreau, Robert H. Bruininks, 1991 [Social Behavior and Skills in Children](#) Johnny L. Matson, 2009-09-18 That children are capable of pathology not only such conditions as ADHD and learning disabilities but also such adult disorders as anxiety and depression stands as a defining moment in psychology's recent history. Within this recognition is the understanding that the social skills deficits that accompany these disorders must be targeted for assessment and treatment to ensure optimal functioning in school with peers and in later transitions to puberty and adulthood. [Social Behavior and Skills in Children](#) cuts across disciplinary lines to clarify the scope of assessment options and interventions for a wide range of disorders.
