Alan Jankowski, 2012-08-29 Preface All of the short stories and most of the poems included in this volume have been published before mostly online though the majority of the stories will have appeared in print in various journals and anthologies by the time you read this When I first started writing stories and poems shortly after wards back in 2009 the last thing on my mind was getting anything published It was something I did for fun and found pleasure in I was not until late 2010 when I had over a hundred stories and poems that the idea of getting anything published even occurred to me Although since then I ve been published in various journals and anthologies this is the first book of my own I only found out about Inner Child Enterprises after entering their World Peace World Poetry 2012 contest but I m grateful for the discovery and for the support of Bill and Janet at the organization Perhaps far more importantly than the pleasure of holding my own book in my hands is the people I ve met on this writing journey The people who have written me expressing how much they ve been moved by my words The people who have sent notes asking if it was alright to send one of my poems to their loved ones because they could identify so closely with the words My only hope is that this book finds you equally moved and let my words be my gift from me to you
