PREMIER TEAM #2

Dear Cheerleaders and Families:

It is with my greatest pleasure that I officially welcome you to the Spring 2012 Season! The content included in the welcome letter will help to equip PREMIER families with the important information to get the season started. Please read carefully through the following information as it contains important dates, locations, practice and game time information, what to expect this season from your coach and the program as well as what the expectations are of your cheerleader and the cheer families! If at any time you have any questions please do not hesitate to contact the MYFF Office. Anyone in the office will be able to assist you but I am always available to speak with cheer families!

Your cheerleader is currently registered for the Spring 2012 UTICA PREMIER CHEER TEAMS. The Utica PREMIER Coach for **PREMIER Team #2** is ASHLI HOGAN. For the time being, should you have any questions directly for Ashli, please send those questions to me and I will pass them along. Ashli will address cheer families by the time of the first practice informing you on how she prefers to be contacted during the season.

Each team will have a "Team Page" created for easy access to updates and important information throughout the season. This "Team Page" will be accessed through your Blue Sombrero account (this is the account you created with us when registering for the season). After logging on to your account you will be able to click on the team's link next to your child's name. This team page will have team information, schedules, and calendars with important dates, news bulletins and much more! This will allow everyone to stay in the know with important team information during the season! Also, please keep checking your email! Cheerleading Welcome Letter:

Welcome to Utopia Karen Valby, 2010-06-01 BONUS This edition contains a new Afterword and a reading group guide Utopia Texas It s either the best place on earth or it s no place at all In the twenty first century it s difficult to imagine any element of American life that remains untouched by popular culture let alone an entire community existing outside the empire of pop But Karen Valby discovered the tiny town of Utopia tucked away in the Texas Hill Country There are no movie theaters for sixty miles in any direction no book or music stores But cable television and the Internet have recently thrown wide the doors of Utopia Valby follows the lives of four Utopians Ralph the retired owner of the general store Kathy the waitress who waits in terror for three of her boys to return from war Colter the son of a cowboy with the soul of a hipster and Kelli an aspiring rock star and one of the only black people in town as they reckon on an intensely human scale with war and race class and culture and the way time s passage can change the ground beneath our feet Utopia is the kind of place we still think of as the real America a place of cowboys and farmers and high school sweethearts who stay together till they die But its dramatic stories show us what happens when the old tensions of small town life confront a new reality that no town no matter how small and isolated can escape the liberating and disruptive forces of the larger world Welcome to Utopia is a moving elegy for a proud American way of life and a celebration of our relentless impulse toward rebirth **Cheerleading**
