steps targeted review of exam content assessment of your knowledge and focused study in the topics where you need the
most help Here s how it works Review the Book Study the Big Ideas tested on the AP R Chemistry exam and learn proven AP
R strategies that will help you tackle any question you may see on test day Test Yourself and Get Feedback As you review the
book test yourself with 7 end of chapter quizzes plus two mini tests Score reports from your free online tests and quizzes give
you a fast way to pinpoint what you really know and what you should spend more time studying Improve Your Score Armed
with your score reports you can personalize your study plan Review the parts of the book where you are weakest and use the
REA Study Center to create your own unique AP R Chemistry e flashcards adding to the 100 free cards included with this
book Visit The REA Study Center for a suite of online tools The best way to personalize your study plan is to get frequent

feedback on what you know and what you don't. At the online REA Study Center you can access three types of assessment: topic level quizzes, mini tests, and a full length practice test. Each of these tools provides true to format questions and delivers a detailed score report that follows the topics set by the College Board. R Topic Level Quizzes: Short 15 minute online quizzes are available throughout the review and are designed to test your immediate grasp of the topics just covered. Mini Tests: Two online mini tests cover what you've studied in each half of the book. These tests are like the actual AP R Chemistry exam, only shorter and will help you evaluate your overall understanding of the subject. Full Length Practice Test: After you've finished reviewing the book, take our full length AP R Chemistry exam to practice under test day conditions. Available both in the book and online, this test gives you the most complete picture of your strengths and weaknesses. We strongly recommend that you take the online version of the exam for the added benefits of timed testing, automatic scoring, and a detailed score report.

Improving Your Score e Flashcards: With your score reports from the quizzes and tests, you'll be able to see exactly which AP R Chemistry topics you need to review. Use this information to create your own flashcards for the areas where you are weak. And because you will create these flashcards through the REA Study Center, you'll be able to access them from any computer or smartphone. Not quite sure what to put on your flashcards? Start with the 100 free cards included when you buy this book.
