A Deeper Look at James Phyllis J. Le Peau, Andrew T. Le Peau, 2025-07-22 A deep look at Scripture God's very words is never wasted In fact not only is it never wasted it's richly rewarded The more deeply we dive into the riches of the Bible the more deeply we can experience and serve God the giver of all truth wisdom love and understanding LifeGuide in Depth Bible Studies help you do just that taking you further into themes and books of Scripture than you might have gone before As you see new connections between the Old and New Testament gain an understanding of the historical and cultural background of passages engage in creative exercises and concretely apply what you've learned you'll be amazed at the breadth of the knowledge and wisdom you gain and the transformation God can work in you as you meet him in his Word Each session provides enough material for a week's worth of Scripture study along with a weekly group discussion guide that pulls all of the elements together This guide is based on and includes the inductive Bible study James from the bestselling LifeGuide Bible Study Series now expanded for a new kind of study experience In A Deeper Look at James you'll discover how often James leans on Jesus Sermon on the Mount in giving instructions how to know if you're truly being quick to listen hint it involves much more than just your ears how the different financial situations you've been in may have affected your faith how you can participate in God's work to bring justice on earth and much more If you're longing to go deeper in your understanding of God and his Word LifeGuide in Depth Bible Studies are for you These new studies will meet your need for both rich solidly researched content and personal application They'll meet your need for Bible study that challenges your head and your heart Most of all we pray you'll meet God in them

The Return of Great Power Rivalry Matthew Kroenig, 2020-02-13 The United States of America has been the most powerful country in the world for over seventy years but recently the U.S. National Security Strategy declared that the return of great power competition with Russia and China is the greatest threat to U.S. national security Further many analysts predict that America's autocratic rivals will have at least some success in disrupting and in the longer term possibly even displacing U.S. global leadership Brilliant and engagingly written The Return of Great Power Rivalry argues that this conventional wisdom is wrong Drawing on an extraordinary range of historical evidence and the works of figures like Herodotus Machiavelli and Montesquieu and combining it with cutting edge social science research Matthew Kroenig advances the riveting argument that democracies tend to excel in great power rivalries He contends that democracies actually have unique economic diplomatic and military advantages in long run geopolitical competitions He considers autocratic advantages as well but shows that these are more than outweighed by their vulnerabilities Kroenig then shows these arguments through the seven most important cases of democratic versus autocratic rivalries throughout history from the ancient world to the Cold War Finally he analyzes the new era of great power rivalry among the United States Russia and China through the lens of the democratic advantage argument By advancing a hard power argument for democracy Kroenig demonstrates that despite its many problems the U.S. is better positioned to maintain

a global leadership role than either Russia or China A vitally important book for anyone concerned about the future of global geopolitics *The Return of Great Power Rivalry* provides both an innovative way of thinking about power in international politics and an optimistic assessment of the future of American global leadership **The Ohio Teacher** ,1917
