and in the case of David and Goliath even proverbial much of the content of these books is strange to modern readers It is a story about a woman wanting a child for example that relates the beginnings of monarchy within Israel Even the question of the monarchy is problematic for we are introduced to not one royal family but two those of Saul and David David is ultimately shown to be the king chosen by God yet by the end of the book he is only just managing to hold on to the kingdom as it is nearly torn from him by rivalries within his family These arresting stories are perplexing for Samuel s writers seldom tell us how to read and interpret them Firth presents these complex and fascinating stories as part of a bigger picture enabling students to chart their way through the literary and historical issues of the Samuel narrative Firth addresses issues of historicity sources date and authorship as well as crucially appreciating the text as a literary whole [Answers Academy](#) Stacia McKeever,2005 This book contains leader s notes and discussion materials for the 13 part DVD based curriculum featuring Ken Ham Terry Mortenson and Jason Lisle which gives a broad overview of the nature of science with special emphasis on introductory geology and astronomy *A History of World Societies Study Guide* McKay,McKay, Hilary,1999-09-28 This guide provides supplementary instruction and increases students chances for academic success by helping them get the most out of their textbooks **El-Hi Textbooks & Serials in Print, 2005** ,2005 *Study Guide for Lamanna and Riedmann's Marriages and Families* Paul O'Brien,2000 [Study Guide Coursebook for Gwartney/Stroup/Sobel/Macpherson's Economics](#) Richard L.
