Decades Of Science Fiction:

Decades of Science Fiction, 1998 Science Fiction Film Keith M. Johnston, 2013-05-09 A student overview of one of the most popular film genres **The History of Science Fiction and Its Toy Figurines** Luigi Toiati, 2023-12-21 This eye opening book deserves a spot on the bookshelves of anyone who not only enjoys collecting but also has a great interest in all facets of the history of our hobby Toy Soldier Collector Science fiction as the name suggests is the combination of science and fantasy In addition to a literary form it also encompasses film TV comics toys and our beloved toy astronauts or other figures such as aliens monsters and other playable genres The term science fiction was coined by publisher Hugo Gernsback around the first decades of the last century to refer to the predominantly space adventures covered in his magazines Space invaded radio cinema TV and consequently for a long time toy figurines were predominantly space related later evolving into other themes This lavishly illustrated book covers both the history of literary science fiction following in the footsteps of contemporary official criticism and toy figurines inspired by science fiction You will also find several other themes such as the link between science fiction figures and cinema radio TV comics and more Luigi Toiati offers to both guide the reader on an often nostalgic walk through science fiction in all its various forms and to describe the figurines and brands associated with it The Fifty-Year Mission: The First 25 Years Edward Gross, Mark A. Altman, 2016-06-28 Breathtaking in scope and depth this uncensored oral history is a must read for Star Trek lovers Booklist starred review The original Star Trek series debuted in 1966 and has spawned five TV series spin offs and more than a dozen feature films The Fifty Year Mission is a no holds barred oral history of five decades of Star Trek told by the people who were there Full of behind the scenes detail and surprising revelations it is the unauthorized uncensored and unbelievable true story behind the making of a pop culture phenomenon In their own words hundreds of television and film executives programmers writers creators and cast members unveil the oftentimes shocking story of Star Trek s pioneering vision constant reinvention and ever expanding universe an epic saga that spans from the classic series to the animated show More than just a book for Star Trek fans The Fifty Year Mission is for all fans of pop culture and anyone interested in the nuts and bolts of a television touchstone SPACE TO CREATE IN CHINESE SCIENCE FICTION, Robert G. Price, 2017 This study of Chinese science fiction will be of interest to students SF fans and even to those with a mere passing fancy of science fiction in the Middle Kingdom The book is split into three main parts firstly the development of Anglo American and Chinese SF are compared mainly for those who are new to the genre Next the unspoken limiting guidelines for authors that no one can will universally agree on are discussed Also historical case studies demonstrate why freedom to create is absolutely vital to the progressive developments of companies and even countries which also rings true for China s role in the 21st century Finally a sampling of 12 short stories by three major authors over the last forty years are examined for content that agrees with statements made about SF in China by experts in SF studies as well as authors themselves All this helps even a novice in the subject to gain important insights into

what it means to be an SF author in China Science Fiction and Market Realities George Edgar Slusser, Gary Westfahl, Eric S. Rabkin, 1996 Through case studies other contributors relate science fiction to other forms of underground literature consider the continual cycle of illegitimate art replacing legitimate art look at young readers of science fiction chart the rising and falling stock of science fiction writers reputations and consider the influence of editors on a writer's work

American Decades Vincent Tompkins, Judith Baughman, Victor Bondi, Richard Layman, Eric L. Bargeron, James F. Tidd, 1995 Intended as a reference source for American social history this volume discusses the people events and ideas of the 1940s After an introductory overview and chronology subject chapters follow with subject specific timelines and alphabetically arranged entries **Cumulated Index to the Books**, 1999 **The Oxford History of the Novel in English** Priscilla Wald, Michael A. Elliott, 2014-01-21 Witnessing the end of a war that nearly terminated the nation the abolition of racial slavery and rise of legal segregation the rise of Modernism and Hollywood the closing of the frontier and two World Wars the literary historical period represented in this volume constitutes the crucible of American literary history Here 35 essays by top researchers in the field detail how considerations of race and citizenship immigration and assimilation gender and sexuality nationalism and empire all reverberate throughout novels written in the United States between 1870 and 1940 Contributors discuss the professionalization of literary production after the Civil War alongside legal and political debates over segregation and citizenship while chapters on journalism geography religion and immigration offer discussions on everything from the lasting role of literary realism in American fiction to the Spanish American War's effect on developing theories of aesthetics and popular culture The volume offers thorough coverage of the emergence of serial fiction children's fiction crime and detective fiction science fiction and even cinema and comics as new media and artistic revolutions like the Harlem Renaissance helped usher in the new international aesthetic movement of Modernism The final chapters in the volume explore the relationship of the novel to the emergence of American literature as a category in the academy in public criticism and journalism and in mass culture The Illustrated History of Science Fiction Dieter Wuckel, Bruce Cassidy, 1989 *American Decades: 1990-1999* Vincent Tompkins, Judith Baughman, Victor Bondi, Richard Layman, Eric L.
