Deeper Revelations Of The Anointing:

Deeper Revelations Of The Anointing Apostle Frequency Revelator, 2017-06-28 The most overworked Christian vocabulary across a broad spectrum of Christian charismatic cycles is the word anointing Dozens of books have been written and countless messages preached on the subject of the anointing yet for all the attention the subject is given it is one of the least understood gifts God has freely bequeathed upon every believer in Christ Although the anointing is the current church's diet and a delicate recipe for living a naturally supernatural life the masses are starving for the anointing of the Holy Spirit Since it is divinely ordained by God that nothing should be accomplished in the Kingdom without the ingredient of the anointing the empty husks of humanism intellectualism and religion have failed to launch the world into greater depths of the miraculous Therefore this book presents a fresh and provocative revelation of the anointing of the Holy Spirit that will usher you into an arena of divine exploits With considerable depth insight revelation and wisdom the author has therefore provided an incredible tool for the Body of Christ to tap into greater depths of the anointing to impact the world for Christ This writing will therefore function as a blueprint to not only understanding the greater depths of the anointing but also to unveiling the mystery of the operation of the new waves of the anointing which God is unleashing in this end time season which marks the conclusion of God's eternal plan for planet earth This book contains a flood of revelations coupled with practical demonstration of 50 different types of the anointing that will ignite the blazing fire in your spirit and change your life forever It brings us to a melting pot of understanding of the anatomy and physiology of the anointing without which Christianity would only be limited to a mechanical operation devoid of God's power Therefore the reading of this book will culminate in the following spiritual realities Firstly it will provoke an unprecedented stream flow of God's power for you to move in miracles signs and wonders Secondly it will precipitate a flood of revelations upon your spirit and saturate you with high volumes of the anointing to the brink of full spiritual capacity Thirdly it will open your mind to the scriptures and cause you to understand the word of God in ways you have never dreamed possible Lastly it will propel you into the future elevate you into the higher dimensions of excellence and catapult you into higher realms of God's presence like never before Against this background I therefore encourage you to read this book meditatively to allow these truths to sink into the depths of your being Colloquially speaking sit on the edge of your seat and fasten your seat belt as you walk with the author through this anointed book This is a man who has an insatiable hunger to see the ushering in of the Kingdom of God through ordinary people with radical faith people who believe they are cutting edge world changers because of the anointing that they have been given If you want an unprecedented wave of power coupled with measureless volumes of the anointing to flood your life and ministry in ways that you have never witnessed before continue to plunge into the depths of a flood of revelations encapsulated in this book as you read this book the liquid rain of the anointing shall precipitate upon you and saturate your spirit to the brink of full spiritual capacity as you read through you will literally absorb the anointing from the pages of this

book into your spirit such that results will immediately manifest through a practical display of signs and wonders Author Apostle Frequency Revelator *Deeper Revelations of the Anointing - Revised Edition* Frequency Revelator,2019-11-28 The most overworked Christian vocabulary across a broad spectrum of Christian charismatic cycles is the word anointing Dozens of books have been written and countless messages preached on the subject of the anointing yet for all the attention the subject is given it is one of the least understood gifts God has freely bequeathed upon every believer in Christ Although the anointing is the current church's diet and a delicate recipe for living a naturally supernatural life the masses are starving for the anointing of the Holy Spirit Since it is divinely ordained by God that nothing should be accomplished in the Kingdom without the ingredient of the anointing the empty husks of humanism intellectualism and religion have failed to launch the world into greater depths of the miraculous Therefore this book presents a fresh and provocative revelation of the anointing of the Holy Spirit that will usher you into an arena of divine exploits With considerable depth insight revelation and wisdom the author has therefore provided an incredible tool for the Body of Christ to tap into greater depths of the anointing to impact the world for Christ This writing will therefore function as a blueprint to not only understanding the greater depths of the anointing but also to unveiling the mystery of the operation of the new waves of the anointing which God is unleashing in this end time season which marks the conclusion of God's eternal plan for planet earth

The Anatomy And Physiology Of The Anointing Apostle Frequency Revelator,2019-11-16 It has been observed that some people have faltered in their Christian walk because of failure to understand how the anointing of the Holy Spirit operates Many men of God have tried to move in the anointing with little results because they ever in the first place sought to understand the anatomy and physiology of the anointing In order to be effective in ministry especially in the demonstration of the power of God it is important that you understand the character of manifestation nature of operation and genetic make up of the anointing Having a deeper understanding of the anointing to that level will usher you into streams of practical demonstrations that will change your ministry forever In retrospect of my former book titled *Deeper Revelations Of The Anointing* where I explored deep revelations of how the anointing functions and the secrets to practically demonstrating the anointing in any setting In this publication my focus is on the anatomy and physiology of the anointing This implies dissecting the subject of the anointing in order to gasp a deeper revelation of the character composition ingredients and genetic make up of the anointing So many believers are acclimatised with practical demonstrations of the anointing yet they hardly get to understand the chemistry and physics behind these manifestations of the anointing Did you know that the anointing has its own character The anointing has its own attributes or features that distinguish it from other spiritual substances of Heaven It is for this reason that Samuel advised Saul that when he goes to join the prophets the anointing will come upon him and he will be turned into another man The phrase turned into another man alludes to the personality of the anointing The anointing is like a brand it establishes you sets you apart and causes you to be different It gives you an identity that millions of people can associate you with Bearing in

mind that the anointing is an impartation of God's supernatural ability upon an available and yielded vessel to enable it to do His work efficiently and effectively when we speak of the anatomy and physiology of the anointing we connote to the chemical physical and mechanical composition of the anointing In other words we are closely examining the ingredients components and forensic details of the substance of the anointing A forensic understanding of its character will enable you as a believer to flow easily in the demonstration of the anointing It is important that since Christianity is a journey into the dimension of the spirit we ought to understand holistically how the anointing operates so that we can effectively move function and operate in that realm In other words if we wish to move mightily in the realm of the anointing without failures mistakes confusion or disappointments we ought to study and understand the dynamics of the anointing by looking at some of its inherent properties expounded in this book **The Nine Levels of Anointing Power for Christian Growth** Dr. Richard E. Weathers, PsyD, 2014 This book deals with the rites of passage into adult Christian living to pass through these powers of anointing by the Holy Spirit all of us must take a journey from babyhood new birth in Christ to growing in spiritual maturity into that perfect man or woman of God Ephesians 4:11-12 This will not come overnight or quickly in our walk with the Lord it will take time and many will have to sacrifice the things of this world to achieve it But it can be done by all who are willing to follow the Lord in this world One hundred percent of us must start by passing through the first level of power that the Holy Spirit bestows upon all who believe in Christ Jesus Everything in our lives will begin at the cross of Calvary and from there we will all go on a trip with the Holy Spirit that will forever change our lives every day the Holy Spirit will become our teacher and guide John 16:13 and depending on how much of him we want will determine the level of growth we achieve as Christians in this world It will not come because of traditions of men or preachers proclaiming to have absolute truth but only by the Holy Spirit himself as he teaches and witnesses with your spirit the revelations of God's Word that only he can give Romans 8:16 I invite you to travel with me through the pages of this writing and discover the truths that are within I take no credit for what the Holy Spirit of God has revealed only he has the wisdom and revelations to open our eyes to his Word and only he has the anointing power to grow us up from level to level as we progress in his knowledge and power But here is a truth you must know the Holy Spirit will not take you any further in spiritual growth than you are willing to allow him to Matthew 7:11 At every level of anointing you have to pass through to grow and go on to the next level you will have to ask of him and be willing to sacrifice what needs to be given in order to achieve it Many who are tied up in religion and bondage to denominationalisms will try to keep you from this growth Very few in the body of Christ will ever reach full maturity in our Lord Most already believe that they have achieved this level because they are good Christians they go to Church give their tithes help a few people work in the church and say their prayers every day Outwardly this may seem like the perfect saint of God but the Lord is seeking more from us to pick up our cross for him and follow him This will require commitment a sold out attitude sacrifices and even death if that's what it takes Twelve apostles willingly lived their lives for

him and gave their lives in death the question today is How far do you want to grow in Christ and Do you want to live your life for him or continue to play church on earth This book will change the way you see yourself with Christ it will help you come out of organized religion and walk with your Lord the way he meant it to be Only the Holy Spirit can show you these things to come I hope this book will challenge you to become the mature Christians God intends for all of us to become In Christ s love Dr Richard E Weathers PsyD *The Anointing* Judah Magaya,2020-07-22 The Anointing the Spirit Within and Upon a Believer is a unique book in that it gives insight and revelation with profound teaching on the anointing of the Holy Spirit in the life of a believer Every believer is supposed to have the anointing both for the inner transformation and empowerment to do exploits in their lives This book brings clarity and indepth information on the work of the Spirit in salvation regeneration The Holy Spirit is very important in the life of a believer Jesus told us that God will send the Holy Spirit on them that believe The Christian life is a spiritual life which requires the enablement of the Holy Spirit This book provides information on how a believer can be led by the Holy Spirit also on the transference of the anointing Indepth information if provided on the gifts of the Holy Spirit and on the prophetic gift and ministry The power of the Holy Spirit is available to those who believe The anointing is so important that Jesus told His disciples to wait for the gift of the Holy Spirit to come upon them before they could witness across the world The word of God tells us that it is not by mighty nor by power but by the Spirit of God The anointing will enable you to do the impossible In the place of the anointing there is no substitute The anointing plays a critical role in the life of a believer The anointing does not just make a difference but the anointing is the difference This book is loaded with information on the anointing within and upon a believer s life If ever you are going to see great exploits in the kingdom of God it is the anointing at work Following his book entitled Supernatural Elevation this book is a power packed book with deep spiritual insight and revelation This is a treasure of the anointing compressed in a single book As you go through this book you will be transformed by the Holy Spirit In all thy getting get the anointing 27 As for you the anointing you received from him remains in you and you do not need anyone to teach you But as his anointing teaches you about all things and as that anointing is real not counterfeit just as it has taught you remain in him 1 John 2 27 NIV 27 It shall come to pass in that day that his burden will be taken away from your shoulder And his yoke from your neck And the yoke will be destroyed because of the anointing oil Isa 10 27 NKJV In this end time era the anointing is what is required for both our victory on this earth and for our assurance of eternal glory The anointing does not only make the difference but the anointing is the difference If ever there is something that a believer should have in this generation it is the anointing of the Holy Spirit upon his her life We are living in a time which requires an empowerment above the natural Above human ability we need the supernatural enablement Our God knew it and He has prepared a package of the anointing not only for survival in the last days but for exploits and extraordinary works by those who believe in Jesus Christ It is time we get what God has provided for us the anointing Many challenges faced in this earth have a spiritual root or angle It is thus

critical that a believer be spiritually equipped The greatest preparation and amour that a believer requires is the anointing of the Holy Spirit This book brings the much required information guidance revelation and insight in the anointing of the Holy Spirit within and upon a believer It is important that as you go through this book you should experience the reality of the anointing This is possible if you prayerfully engage yourself with spirit soul and body and apply what is directed and other revelation that God will open to you Yes it is time for a greater glory in the anointing
