J. Rose,2015-02-10 This gothic tale zigzags from the violent days of Catherine de Medici s court to twenty first century France Set in the forest of Fontainebleau crisscrossing the lines between the past and the present this mesmerizing tale of passion and obsession illuminates the true path to immortality the legacies we leave behind **The Politics of Remembrance in the Novels of Günter Grass** Alex Donovan Cole,2022-11-30 This manuscript argues for the importance of G nter Grass as a political thinker in addition to his status as a novelist and public intellectual capable of forming ethical responses to contemporary issues like neoliberalism and place of the petit bourgeoisie in social life I define Grass s trajectory as a thinker through his novels and speeches Primarily I draw attention to the role memory plays in Grass s thought that his work represented an intellectual and aesthetic response to the role Nazism continued to play in West German politics in the post war era To Grass Nazism represented a resurgent threat unaddressed following the end of World War II Later Grass amended his concept of memory politics to address neoliberal capitalism reiterating his radicalism and affirming the need for German society to resist the rise of extreme ideologies Pastoral Cosmopolitanism in Edith Wharton s Fiction Margarida Cadima,2023-07-11 American novelist Edith Wharton 1862 1937 is best known today for her tales of the city and the experiences of patrician New Yorkers in the Gilded Age This book pushes against the grain of critical orthodoxy by prioritizing other species of spaces in Wharton s work For example how do Wharton s narratives represent the organic profusion of external nature Does the current scholarly fascination with the environmental humanities reveal previously unexamined or overlooked facets of Wharton s craft I propose that what is most striking about her narrative practice is how

she utilizes adapts and translates pastoral tropes conventions and concerns to twentieth century American actualities It is no accident that Wharton portrays characters returning to or exploring various natural localities such as private gardens public parks chic mountain resorts monumental ruins or country estate follies Such encounters and adventures prompt us to imagine new relationships with various geographies and the lifeforms that can be found there The book addresses a knowledge gap in Wharton and the environmental humanities especially recent debates in ecocriticism The excavation of Wharton s words and the background of her narratives with an eye to offering an ecocritical reading of her work is what the book focuses on **Whitaker's Five-year Cumulative Book List** ,1968 New York Times Saturday Book Review Supplement ,1994-07 **Hideaway** Penelope Douglas,2024-01-09 All the twisted games are back as Devil s Night returns in this dark romance from New York Times bestselling author Penelope Douglas now with bonus material Buried in the shadows of the city there s an abandoned hotel called The Pope surrounded by a mystery about the hidden twelfth floor and the guest who never checked out Banks knows the local legend but Kai Mori believes the myth around the hotel He and his friends think they know her think they can scare her but Banks knows something they don t Even though she struggles to hide everything she feels when Kai looks at her the person he seeks is much closer than he ll ever realize She ll never reveal her secret This Devil s Night Kai will be the hunted one But Banks doesn t know what Kai had to turn into to survive three years in prison He wants the hotel its guest and his life back But the more he s around Banks the more Kai realizes this new version of himself is exactly who he was meant to be Kai s seen her hideaway It s time for Banks to see his *TV Guide* ,1974 **Subject Catalog** Library of Congress, **The Devil Out There** Julie Houghton Keith,2000 The Devil Out There comprises five short stories and two long ones most of them interconnected which take place in the 60s and early 70s They are set variously on a tidal beach in an island apartment in the rain a mountain valley choked with redwoods the old fashioned parlour of a Montreal boarding house the heat of summer in Boston when JFK comes to town and the smoky bars and haute cuisine restaurants of Montreal A man is drawn equally to physical violence and theories of light and particle dimension a 19 year old leaves her small town husband in search of sexual adventure and the glamour of the city a sister and brother cope with the mine field of their past Classically crafted devoid of sentimentality and alive with potent observation and tantalizing darkness these are stories to read and read again **Working Woman** ,1977 **Fresh-brewed Love** Susan K.
