## Welcome to the Data Entry Test

To my left is an empty, blank form. During the test, I will display information for you to copy to the form fields, as quickly and accurately as possible. The information may include text, images, or audio. Be sure to listen carefully when audio is played, as it cannot be repeated. Although the information may be displayed in various ways, the form's format will remain the same.

Above me is the toolbar. On its leftmost side is the test's timer. Once the test commences, the timer will count down the time remaining. On the rightmost side is the **Get** button. Once clicked, the test will begin, and the navigation controls will replace it. However, it is much more comfortable to use hotkeys for navigation.

### Hotkeys

Instead of using the mouse, you can use speedy keyboard shortcuts to navigate within the test area.

- **Navigation in the form**
  - **Tab / Enter** - Moving forward between the form fields.
  - **Shift-Tab / Shift-Enter** - Moving backwards between the form fields.
  - **Alt-Letter** - Moving to a specific field, according to the underlined letter in its caption. For example, to move to the **First Name** field, you would press **Alt-F**.
- **Navigation between forms**
  - **Alt-→** - Move to the next form.
  - **Alt-←** - Move to the previous form.

You should try navigating the form right now, before starting the test.

### Restricted Fields

When it makes sense, fields will restrict which text is permissible. For example, a PIN field would restrict you to 4 digits. Attempts to enter letters or a 5th digit won't do anything. This should only help you not make mistakes.

### Test's Completion

Once the remaining time expires, the test will complete. The fields will no longer be editable, but you will still be able to navigate through the different forms, and see how well you performed.
