What I Wish I Would Have Learned About LDS Church History Scott Myers,2016-08-14 This is a book about all of the major controversial topics that were never taught to me as a born and raised member of the LDS church Growing up in the church I thought I knew everything there is to know about being a member of the Church of Jesus Christ of Latter Day Saints I did everything that was expected of me all throughout my childhood and even into my adult life In 2015 I discovered many topics about church history that I was never taught at home in seminary or at church These topics shocked me to the core I went on a personal crusade researching everything I could about the history of the LDS church using LDS approved sources as well as others that are not approved Turns out that I couldn t disprove the so called anti mormon lies This book is my personal journal of what I learned about LDS church history I wish I would have been taught these things when I was young and so now I share them with you
