*Blogging for Beginners* Salvador Briggman,2018-01-26 It was literally insane I was 24 years old and I felt like I was rich I could go anywhere at any time and had no one to answer to At a moment s notice I could book a trip to Brazil Spain South Africa or France What s more I d make money while I was traveling The catch was I wasn t rich Nowhere close Don t get me wrong I was making good money I was living in New York City I could afford to party eat out and even save money But my time wasn t tied to my

money I was making money in my sleep and not even trying Sounds like the story behind some kind of scam right I thought so too I never bought into book titles like The Four Hour Work Week Rich Dad Poor Dad or Think and Grow Rich When I talked about my job with relatives and family members they'd raise their eyebrows in surprise They'd look at me doubtfully and say And you can make money at that Of course I could After all so many people online were making a killing People couldn't comprehend the fact that I was able to set up a blog so easily and rake in cash even when I was sleeping I had to be lying or doing something illegal Otherwise everyone would be doing it This book is going to show you exactly how to start your own blog and turn it into a full time cash generating machine I'm going to give you the keys to the kingdom which will unlock this entirely new career that you never thought possible [365 Blog Topic Ideas](#) Dana Fox, 2014-11-26 It can be tough coming up with new blog topics every now and then Do you ever just feel stuck This book was designed to help dig you out of a blogging rut and inspire new ideas Whether you're just getting started with your blog or you're a seasoned blogger 365 Blog Topic Ideas For The Lifestyle Blogger Who Has Nothing to Write About is the one book you should keep close by Containing an entire year's worth of actual blog topics that can be adapted by a wide variety of lifestyle blogs this easily formatted book will help you fall in love with writing all over again FROM THE AUTHOR 365 Blog Topic Ideas is a book I wrote to help you feel a little more inspired when you're feeling stuck for content You literally get an entire year's worth of ideas that you can mix in with your own regular content whenever you feel the desire My goal to help you become unstuck and spark a little creativity Being a lifestyle blogger could mean something different for many of us Some of us blog about our home lives some about cooking or beauty or fashion I tried my best to make these topics appeal to a large group of different niches and I think it's fairly easy to adapt them to your own blog demographic if you need to I also included different types of topics to help your readers get to know you and also increase the share quality of your posts because I think that both are super important in building a following as well as traffic From my research and experience certain types of posts get more shares than others so I've made sure to include handfuls of those in this book You can jump into the book at any page in no particular order whether you're just getting started with your blog or not You can use the topics as is or even get a little creative and add your own spin on them Enjoy your blogging journey Dana Fox
