*School & Society*, 1921 **Media Talk: Conversation Analysis and the Study of Broadcasting** Ian  
Hutchby,2005-12-16 Media Talk provides an accessible introduction to the analysis of the spoken word by examining  
linguistic and discursive aspects of broadcast media Beginning with the observation that talk is central to all genres of radio  
and television Ian Hutchby examines the forms of speech used by broadcasters as their primary means of communicating  
with audiences He looks at a range of media forms and genres including televised audience debates confrontational TV talk  
shows such as Oprah Winfrey and Ricki Lake open line talk radio shows advice giving broadcasts news interviews and  
political panel discussions Hutchby argues that the study of talk provides insights into the very nature of mass  
communication and invites the reader into further consideration of a range of important issues such as the relationship  
between broadcasters and audiences and the public role of media output The book not only describes the role of media talk
