With her first two books *Fall in Love with Money* and *Fall in Love with Money Success Action Workbook*, Marta showcases her deep understanding of an individual's desired quality of life and the misaligned perception of how money impacts each of us. Marta shows the world that living an extraordinary life can begin today and *Fall in Love with Money* will challenge your current relationship with money, show you the possibilities that arise when you can understand it, control it, and use it for a greater purpose. The next dynamic addressed with this third book is how we can shift our children's experience with their unique gifts and how it impacts money. If children can align with their unique divine purpose from an early age, they will not have to go through years of unprogramming that many of us need as adults. *Fall in Love with Money and Align Your Kids to Their Divine Purpose* emphasizes the unique divine purpose within each of our children and cultivating it within the child so they know their contribution is significant and can change the world. By combining faith and passion with the promise that when you do what you love, money will flow, we empower our children to cultivate their best selves and share that best part of themselves with others. By cultivating this unique aspect of a child, their contributions will be geared toward generating an impact followed by wealth and sustenance for themselves and the areas or projects of their choosing. So how can we impact the world? When you ask my 6-year-old, he will tell you it is by reading *52 Weeks of Hope: Rainbow Inspiration*. He wants to see people smile when they see the colorful rainbows and wants them to see Jesus and God in everything that they do. Simply put, his vision is perfect. *Character Still Counts* James Merritt, 2020-02-04. I don't know of a more important topic now than this, and I don't know anyone more qualified to speak on it than James Merritt. Rick Warren, New York Times bestselling author, *The Purpose-Driven Life: Stop Protecting Your Reputation, Start Building Your Character*. In a world of social media snapshots and cable news sound bites, we're often more concerned with our outer image than we are with our inner make-up. But in the end, integrity trumps image. You can look good on the outside without being good on the inside. If you long to commit yourself to what matters most, the content of your character joins bestselling author James Merritt as he explores 13 overlooked traits that form the bedrock of a godly life and a good society. Along the way, you'll encounter surprising role models, flawed people who failed spectacularly, overcame adversity, and went on to live lives worth imitating. In a world that has abandoned the virtues and values that matter, this book offers a clarion call to return to a simple message: Character still counts. It always has, and it always will. *The Bible in 52 Weeks* Dr. Kimberly D. Moore, 2020-02-11. Strengthen your faith week by week with this yearlong journey through the Bible for women.
