Dear Ms. Bruner,

As a university-level basketball coach with five years of experience leading teams to victory, I was glad to see your posting for a head coach at LSU. The Louisiana State University Tigers have a long tradition of winning regular-season conference championships. You're seeking a leader who can continue and expand on that inspiring record through a program of recruitment, retention, and promotion. I think you'll be excited by my resume.

In the past five years as Head Coach at Southern University A&M, I refined our recruitment efforts to include Front Rush software and a 20% increase in contact, evaluation, and relationship-building. I also raised retention 25% by improving assistant coach training and increasing one-on-one time with each player. Both of these efforts combined to improve our standings by 20%. Coupled with an intensive promotion effort, I believe this plan is why we went from a losing record in 4 of every 5 years to a straight 5-year winning streak in just one year.

I also planned and directed daily operations, created and maintained a winning playbook, managed our budget (cutting it by 5% without affecting standings or retention), and adhered to all NCAA and USA South rules and regulations.

I'd be honored to bring my coaching skillset to work for the LSU Tigers. Not only would I like to help you win another conference tournament, but coaching the Tigers would keep my family in our home state where we belong. Could we choose a time next week for a quick discussion about how I can help maintain and improve your record?

Best regards,

Scott King
