Coach Common Core Teachers Guide:

The Common Core Coaching Book Laurie Elish-Piper, Susan K. L'Allier, 2014-04-10 This book provides essential coaching tools to support teachers in planning and implementing instruction aligned with the Common Core State Standards CCSS. The authors explain the key instructional shifts brought about by the CCSS in K-5 English language arts classrooms. Eighteen specific strategies for coaching large groups, small groups, and individual teachers are presented, including clear-cut procedures, vivid illustrative examples, and 28 reproducible forms. Grounded in research on adult learning, the book addresses common coaching challenges and how to overcome them. The large size format facilitates photocopying; purchasers also get access to a Web page where they can download and print the reproducible materials.

Literacy Coaching in the Secondary Grades Jade Wexler, Elizabeth Swanson, Alexandra Shelton, 2021-07-14 Too many adolescent learners still struggle with reading. This much-needed guide shows how to support teachers in providing effective literacy instruction in the content areas, which can be intensified as needed within a multi-tiered framework. Adaptive Intervention Model (AIM) Coaching was created for grades 6-8 but is equally applicable in high school. The book gives instructional coaches an accessible blueprint for evaluating, developing, and reinforcing each teacher's capacity to implement evidence-based literacy practices. User-friendly features include case studies, end-of-chapter reflection questions, and key terms, and reproducible tools. Purchasers get access to a companion website where they can download and print the reproducible materials, plus supplemental lesson plans and other resources in a convenient 8 1/2 x 11 size.

The Mathematics Coaching Handbook Pia Hansen, 2015-10-30 Learn how you can work more effectively with teachers in your role as a math coach or department chair. Coaching can be a rewarding experience, both personally and professionally, but it also requires taking risks, being up-to-date on the latest research, implementing best practices, and managing relationships. In this practical book for grades K-8, you'll gain helpful insight on being an effective mentor, coach, and colleague to your math teachers. You'll find out how to develop relationships with your teachers through one-to-one collaboration, establish teacher teams to meet goals effectively, improve student achievement by implementing best practices for math education, overcome common challenges faced by coaches and teacher leaders, and more. This updated second edition contains new information on empowering teachers to tackle the key shifts of the Common Core. It also offers updated advice on ways to conduct professional development with teachers, such as through online chats and book studies. The book's appendices offer additional resources for math coaches, including rubrics, conference guides, and tools for classroom observations.
