Since the turn of the 21st century developing teachers assessment literacy has been recognized as one of the key levers for improving instructional practice and student learning in light of the education reforms worldwide A substantial body of literature is focused on teachers assessment literacy or teachers capacity in assessment and teachers continuing professional development in assessment As we approach the third decade of the 21st century developing teachers assessment literacy needs to be more responsive to the need of both preservice and inservice teachers who come from linguistically and culturally diverse backgrounds The authors concur that both preservice and inservice teachers in today s complex educational contexts require a deeper level of understanding of assessment Additionally teachers are highly encouraged to appreciate the history of educational assessment in different sociocultural and political contexts as well as to know how to determine the merits of a range of assessment practices best suited for their lesson planning and classroom teaching In this book the authors discuss significant aspects of developing teachers assessment literacy in different sociocultural and political contexts Based on their respective educational backgrounds academic experiences and applied fields of study each of the authors presents a critical response to the topic of assessment Their accounts represent the complexity of the subject through a breadth and range of content and perspectives By expanding the terms of reference regarding assessment the authors have developed a book with a far richer panorama on assessment as a springboard for inquiry **Visual Arts** Caribbean Examinations Council, 2006 **Current Index to Journals in Education** , 1987-07 *Cxc Past P 97-00* Macmillan Publishers Limited, Pan Macmillan, 2002-12-04 **Cxc Past Papers 95-98: Industrial Arts - Technical Drawing (Basic and General)** Caribbean Examinations Council, Caribbean Examinations Council Staff, 2000-10-01 *The British National Bibliography* Arthur James Wells, 2000 *Visual Arts General Proficiency and Theatre Arts General Proficiency* Caribbean Examinations Council, 2002 **Visual Arts - Art Criticism and Art Theory** , 2002 Visual Arts SHORE - Sydney Church of England Grammar School, 2002 *West-E Visual Arts Sample Test 0133 Teacher Certification Test Prep Study Guide* Sharon A.
