

On Cyber Bullying

I firmly believe cyber bullying should be classified as a crime

It is a practice that has been going on for some time

All cyber bullies are cowardly they go beyond rude

And their behaviour does seem far more criminal than crude

**Such people lack in respect for self and others and are without
a sense of pride**

Some victimized by them have committed suicide

Cyber bullying a new form of human abuse

For the perpetrators of such can one find an excuse?

So many forms of bullying or so it does seem

**Though all bullies share one thing in common they suffer of low
self esteem**

Since they do pick their targets it would seem fair to say

In so doing they behave in the cowardliest way

But for bullies the price it is huge for to pay

Since the Karma they sow they have to reap one day.
