Soccer Drills Manual J. M. De Souza, 2010-08-25 With the soccer season looming just around the corner it s never too early to start getting your soccer drills ready Soccer is an intense game of skill and fitness and it s going to take a lot of fun work on your part to make sure that you re ready to stay ahead of and dominate your competition out on the field The big question is do you know what it is you have to do to refine your drills and get yourself in fit fighting form before soccer season starts Or are you just aimlessly jogging around your block a couple of times a day hoping that it will provide your muscles with the conditioning they need to keep up with ninety minutes of fast paced non stop action once you hit that turf If you are among the latter group there are two things you should know One is that not focusing on your drills and fitness isn t going to get you anywhere and two that you re in very good company Many people do not realize that training for a competitive sport such as soccer requires you to have high levels of endurance and cardiovascular fitness Plus the work rate required to improve your drills and skills is much higher than the half hearted effort we all make to get in shape every New Year before we eventually deciding to throw in the towel If you are going to get serious about soccer you need to get serious about your drills and fitness and this book is the first step you need to take to achieve those goals Handbook on Physical Fitness for Students in Colleges and Universities United States. Office of Education. Committee on Wartime Physical Fitness for Colleges and Universities, 1943 **The Complete Idiot's Guide to Coaching Youth Soccer** Michael Muckian, Dean Duerst, 2003 An Olympic coach tells how to lead the team to victory This is the first and best handbook for mastering both the soft conceptual skills of coaching youth soccer such as good sportsmanship and dealing with parents to the tactical skills of executing winning offensive and defensive strategies Soccer Fitness and Skill Training Darren Pitfield, 2010-02 Personal Soccer Training booklet for players wanting to self improve their fitness and skill levels 52 week program contains 70 unique personal training activities Designed by professional academy soccer coaching staff and contains drills for youth high school

college and professional level players Also includes detailed nutrition plans for players for training and games *Coaching Soccer Like Guardiola and Mourinho* Timo Jankowski,2016-08-29 A soccer player is more than the sum of his parts endurance speed shooting technique passing technique and many more All of these factors need to be turned into one system to create good players Traditional training theory doesn't achieve that because each skill is trained individually This is why the concept of Tactical Periodization has become the preferred training theory for many of the current most successful soccer coaches Pep Guardiola Jos Mourinho Diego Simeone Andr Villas Boas and many others train according to these principles By creating match like situations in practice players learn to link their technical tactical and athletic abilities to match intelligence They will learn to transfer their skills to soccer matches and they can improve endurance technique and tactics all at the same time while enjoying the practice sessions more For this book the author has evaluated and analyzed hundreds of training sessions and has tailored exercises to specific demands All exercises are performed with a ball so that players learn to apply each skill to the game Every coach will find numerous exercises in this book to help them create better and more efficient practice sessions so they can improve their players and the team's performance With Tactical Periodization your team will become better and be successful on the next match day **The Complete Guide to Soccer Conditioning** Ken
