By Any Other Name Jodi Picoult, 2024-08-20 AN INSTANT 1 NEW YORK TIMES BESTSELLER From the 1 New York Times bestselling author an inspiring Elle novel about two women centuries apart one of whom is the real author of Shakespeare's plays who are both forced to hide behind another name You'll fall in love with Emilia Bassano the unforgettable heroine based on a real woman that Picoult brings vividly to life in her brilliantly researched new novel Kristin Hannah author of The Women As an undergraduate Melina Green had a rare opportunity to have one of her first plays judged by famous theatre critic Jasper Tolle only to be publicly humiliated by a harsh and biased critique Ten years later her confidence as a playwright hasn't recovered even though she has just completed a work that she thinks is her best yet It is based on the life of her ancestor Emilia Bassano the first published female poet in England and rumored to be the Dark Lady of Shakespeare's sonnets but whom some scholars suspect may be the real author of a number of his plays Melina wonders if she dares risk failure again and then her best friend takes the decision out of her hands and submits it to a festival under a male pseudonym In 1581 the young orphan Emilia Bassano is being raised in the ways of the English aristocracy by the Baron Willoughby and his sister Her lessons on languages reading and writing have endowed her with a sharp wit and a gift for storytelling But like most women of her day she has no control over her fate and is ripped from her old life and forced to become a courtesan to Lord Hunsdon a man knighted by Queen Elizabeth as the Lord Chamberlain in charge of all theatre in London Though she has no other freedoms she pseudonymously sets her own pen to paper inspired by the work of the most brilliant playwrights of the time Told in dual intertwining timelines this sweeping tale of ambition courage and desire centres two women who are determined to create something beautiful despite the prejudices they face As Emilia alters the course of her life and the world she blazes a trail Centuries later will Melina face the same terrible fate to have her work celebrated but only at the price of letting another take credit

By Any Other Name James G. Abernathy, 2007-09-01 Have you ever wondered what a worldview is and why it's so important how liberal and conservative Christians both claim the Bible as their foundation why different worldviews attempt to solve the same problems in different ways how two people who formally espouse different worldviews can agree on so many issues why secularism is just as religious as Christianity why secularism has its own mythology why secularists want to silence Christianity in America's legislatures courts schools and churches why education is nearly always offered as a solution to society's ills and why it won't work how to formulate positions on contemporary issues not directly mentioned in the Bible why Christians are often ineffective at influencing culture Abernathy answers these questions and many more by examining the relationship between ideas and their real world consequences This foundational relationship is key to understanding secularism to understanding why its attempts to solve society's problems produce disastrous real world consequences and how its ideas infiltrate the biblical principles of even the most committed Christians Abernathy sifts through the deceptive language of secular orthodoxy and shows how secularism by any other name

still has tragic real world consequences Ideologies such as humanism postmodernism and liberal Christianity are exposed as repackaged havens of a failed worldview Seemingly well intentioned notions such as progressive education pacifist foreign policy tolerance and wealth redistribution are debunked as deceptive myths peddled by an impoverished faith By Any Other Name shatters the secular barrier erected to exclude Christianity from the marketplace of ideas and lays the groundwork for engaging a culture contaminated by secular mythology

By Any Other Name Erin Cotter,2024-11-05 In London 1593 sixteen year old Will Hughes makes his living on Shakespeare s stage but after the famous playwright Christopher Marlowe is murdered he teams up with young Lord James Bloomsbury and together the two hunt the elusive assassin as their forbidden feelings for each other ignite

A Holmes by Any Other Name Bill Mason,2019-01-09 Sherlock Holmes is one of the most recognizable and most parodied names in western literature Bill Mason BSI collects and annotates these parody names from the first one that appeared in 1891 to the present day As Mason says in his introduction One of the great aspects of Sherlock Holmes is the fact that just as the character himself is subject to endless variation so is his name Ellery Queen noted that the name itself is particularly susceptible to the twistings and mis shapenings of burlesque minded authors Surely Arthur Conan Doyle who struggled a little with what he was going to call his detective hero could not have known just how perfect the name he finally selected Sherlock Holmes would be for parody for rhyme for the transposing of letters and sounds for the substitution of suggestive words in the name of a comic character Mason s listings are an invaluable resource for the Holmsian scholar researcher or for those interested in whiling away a few hours with a delightful and chuckle inspiring volume

By Any Other Name Lauren Kate,2022-03-01 From 1 New York Times bestselling author Lauren Kate comes an enemies to lovers romance about an editor her bestselling author and one life changing secret What she doesn t know about love could fill a book With a successful career as a romance editor and an engagement to a man who checks off all ninety nine boxes on her carefully curated list Lanie s more than good She s killing it Then she s given the opportunity of a lifetime to work with world renowned author and her biggest inspiration in love and life the Noa Callaway All Lanie has to do is cure Noa s writer s block and she ll get the promotion she s always dreamed of Simple right But there s a reason no one has ever seen or spoken to the mysterious Noa Calloway And that reason will rock Lanie s world It will call into question everything she thought she knew When she finally tosses her ninety nine expectations to the wind Lanie may just discover that love By Any Other Name can still be as sweet

Prison by Any Other Name Maya Schenwar,Victoria Law,2020-07-21 A crucial indictment of widely embraced alternatives to incarceration that exposes how many of these new approaches actually widen the net of punishment and surveillance But what does it mean really to celebrate reforms that convert your home into your prison Michelle Alexander from the foreword Electronic monitoring Locked down drug treatment centers House arrest Mandated psychiatric treatment Data driven surveillance Extended probation These are some of the key alternatives held up as cost effective substitutes for jails and prisons But many of these so called reforms actually widen the net weaving in new

strands of punishment and control and bringing new populations who would not otherwise have been subject to imprisonment under physical control by the state As mainstream public opinion has begun to turn against mass incarceration political figures on both sides of the spectrum are pushing for reform But though they re promoted as steps to confront high rates of imprisonment many of these measures are transforming our homes and communities into prisons instead In Prison by Any Other Name activist journalists Maya Schenwar and Victoria Law reveal the way the kinder gentler narrative of reform can obscure agendas of social control and challenge us to question the ways we replicate the status quo when pursuing change A foreword by Michelle Alexander situates the book in the context of criminal justice reform conversations Finally the book offers a bolder vision for truly alternative justice practices **By Any Other Name** Spider Robinson,2001
