Denniston, Frederick Mansfield Hodges, Marilyn Fayre Milos, 2007-08-27 Every year around the world 13.3 million boys and 2 million girls have part or all of their external sex organs cut off Doctors parents and politicians have been misled into thinking that these mutilations are beneficial necessary and harmless International respected experts in the fields of medicine science politics law ethics sociology anthropology history and religion present the latest research documentation and analysis of this world wide problem focusing on the ethical political and legal aspects of sexual mutilation the cost and burden to healthcare systems the latest medical research anatomical and function consequences religious and cultural aspects psychological aspects and the world wide campaign to end sexual mutilation

*The Athenaeum*, 1869    **Athenaeum and Literary Chronicle**, 1863    *The American Journal of the Medical Sciences*, 1881    *The Bisexual Imaginary* Bi Academic Intervention, 1997 This insightful and lively book examines the consumption of the lesbian idols kd lang and Martina Navratilova by their many lesbian fans in contemporary society through an analysis of lesbian recognition identification and desire Allen suggests that the star fan relationship existing between these stars and their fans challenges a heterosexual notion of sex as determining gender because of the function of the masculine woman as a powerful signifier of lesbian identity Thus the way in which Martina and kd embody an ongoing and lived out lesbian identity makes representations of them in the mainstream media an unprecedented phenomenon which undercuts the primacy of heterosexual gender relations This is contrasted with the recent media popularization of lesbian chic which is viewed rather as a homophobic recuperation of lesbians under the visual codes of conventional femininity The *Lesbian Idol* presents a multitextual and highly critical analysis of lesbian fans personal accounts of their adoration for their idols the ways

in which Martina and kd have been represented in the mainstream media and the key discourses through which lesbian identity and culture have recently been theorized such as psychoanalysis queer theory and feminism
