## **Bible Treasure Hunt For Kids:**

**Systematic Theology For Kids** Ramon Reece, 2026-02-22 What if your child could discover the profound truths of God's character with the same excitement they have for their favorite story? Have you ever watched your child's eyes light up when they finally understand something really get it? Do you long to see that same wonder and clarity when they think about who God is, what the Bible teaches, and how His truth shapes everything around them? Every parent and teacher knows the struggle. You want to share the richness of God's Word with the children in your life, but theological concepts feel too complex, too abstract, too grown up. You've seen their confusion when you try to explain the Trinity or watched their attention drift when discussing God's attributes. Meanwhile, the world is already teaching them its version of truth, shouldn't they have a firm foundation in God's truth first? Meet the Johnson family. Like many Christian parents, Mark and Sarah wanted their three children to know God deeply, not just know about Him. But when seven-year-old Emma asked, "If God is everywhere, does that mean He's in my closet?" and five-year-old Noah wondered, "Why can't I see God if He's real?" they realized they needed help. Sunday school was wonderful, but what about the other six days? What about those dinner table questions that left them fumbling for age-appropriate answers? That's exactly why **Systematic Theology For Kids** exists. What This Book Will Do For Your Child: This isn't just another Bible story collection. This is a carefully crafted journey through the foundational truths of the Christian faith, translated into language that captivates young minds while respecting the depth of theological truth. Your child will discover: Who God Really Is: His attributes, character, and nature explained through relatable examples and engaging illustrations. The Grand Story of Scripture: How Creation, Fall, Redemption, and Restoration fit together in one beautiful narrative. Why Jesus Came: The gospel message presented with clarity and wonder, helping children understand salvation. How the Trinity Works: One of Christianity's deepest truths made accessible through creative analogies kids actually understand. What the Bible Teaches About Prayer, Worship, and Following Jesus: Practical theology that transforms everyday life. The Church and Sacraments: Why we gather, what baptism and communion mean, and how we're part of God's family. Living Out Faith: How theology isn't just ideas but changes how we love God and others. But Isn't My Child Too Young For Theology? Actually, your child is already doing theology every single day. When they ask, "Why did God let my goldfish die?" or "Is God mad at me when I mess up?" they're wrestling with theological questions. The question isn't whether they'll form beliefs about God, but whether those beliefs will be true, biblical, and life-giving. Theology sounds boring and complicated. That's because you haven't seen theology taught this way. This book uses stories, illustrations, questions, and activities that make learning about God as engaging as their favorite adventure. Children are natural theologians; they ask the biggest questions with fearless curiosity. This book meets them there. We're not a super-religious family. Perfect. This book doesn't assume prior knowledge or use churchy jargon. Whether your family is just beginning to explore faith or you've been believers for generations, these pages meet you where you are with warmth and clarity. **The Gift That Shapes a Lifetime**. Imagine the confidence your child

will have when they can articulate what they believe and why Picture them at twelve sixteen twenty with a theological foundation so strong that doubt doesn't destroy them cultural pressures don't sway them and their faith becomes their own not just something they inherited This book is more than a purchase it's an investment in your child's spiritual formation It's also the perfect gift for Baptisms and first communions Birthdays and Christmas Homeschool curriculum enhancement Sunday school teachers looking for resources Grandparents who want to invest in their grandchildren's faith Godparents seeking meaningful ways to fulfill their role Your Child's Theological Journey Starts Here Don't let another day pass wishing your child understood God better Don't wait until they're teenagers struggling with doubt because they never had a solid foundation The questions they're asking today deserve thoughtful biblical answers Order Systematic Theology For Kids now and give your child the gift of knowing God deeply Transform car rides into theological discussions Turn bedtime into opportunities to explore the wonder of God's character Watch your child's faith move from fuzzy feelings to firm conviction The children who grow up learning to think biblically about God don't just survive in this world they thrive grounded in truth that never changes Start their journey today Your child's future self will thank you *Treasure Hunt* Abingdon Press,1999
